The Smithy Glen Board of Directors holds open meetings every other month for the residents, on the 4th Tuesday, at 7PM at the Clubhouse.

The one open forum meeting that will be held in the second quarter of 2024 will be on 28 May. All residents are invited to ask questions and give their views on community issues. We look forward to seeing you there!!!

From the President's Desk

Spring is in the Air, and so is the pollen! As we start out another year, inspections will begin. Starting April 8th, the flowerbeds and shrubs around your house will be getting inspected. Every homeowner is responsible for the flower beds around their house. Last year we held inspections and follow up inspections which greatly improved how the community looked, thanks for your help in keeping our Community looking good. So, please get out there and get flowers planted, beds mulched and shrubs trimmed back.

In addition to the flower bed inspections, this year we are putting a special focus on our fences, which in most cases are reaching or are 30 years old - that's a lot of wear and tear on them. We will be looking for broken/missing/warped/loose boards, broken/missing lattes, need to be stained/re-stained, incorrect color, and missing door handles or latches. Please take a look at your fences and fix them! Inspections start in May. One of the other items we've noticed is the number of houses that have mold/mildew on them. The mold/mildew causes damage to the siding, causing it to age at a faster rate. One thing to remember is that if the damage is caused by homeowner

the HOA will not pay for replacement. The same applies to those homes that have overflowing gutters, the HOA will not pay for replacement of the wood because of rot - neglect from the homeowner shouldn't drive a bill we all have to pay for, please do your part for the neighborhood, keep your gutters clean, mildew off the houses and keep your property looking great!

Respectfully,

Rob Fitzmaurice

Join Our Smithy Glen HOA Newsletter Team!

Our Newsletter Editor has relocated from the neighborhood so we are currently on the lookout for a talented individual to serve as our Newsletter Editor! Do you have a few hours to volunteer every quarter? Are you passionate about communication and community engagement?

If you're ready to make a positive impact and play a vital role in fostering a sense of community within our neighborhood, we want to hear from you!

To apply or learn more, please contact the main office.

CHILDREN PLAYING IN THE COURTS

Watching out for the Children's Safety!

During the March 2024 Open Meeting, a community member complained about **children playing in the streets without paying attention to passing cars.** Recently, a child on a bicycle narrowly avoided being hit by a vehicle. Currently, this seems to be an issue for Crescent Court families. Smithy Glen has several grassy community areas designated for children to play in; perhaps parents could encourage the children to utilize the grassy spaces instead of the parking area or playing on streets.

LOUD MUSIC

Not Everyone Loves your Stuff!!

Several families enjoy playing and sharing music while relaxing on their porches. However, not all neighbors have the same appreciation for music or the specific

genres being played. As it gets warmer, get to know your neighbors and learn if they want to listen/dance to your music. Please remember quiet hours! (10p.m. - 7 a.m.)

LITTER

Don't Be a Litter Bug!

It's heartwarming to see the efforts of our neighborhood volunteers who take time out of their busy schedules to pick up trash along our sidewalks and in our ditches.

Let's follow the example of our neighbors and take pride in our community by properly disposing of our trash and keeping our streets and sidewalks clean. Talk with your children. Together, we can make a positive difference and create a healthier and more beautiful environment for everyone to enjoy.

COVENTRY NEIGHBORHOOD IS SPONSORING

BEAUTIFICATION DAY

20 APRIL 2024

9AM TILL NOON

RAINDATE IS 27 APRIL 2024

MEET AT THE CLUBHOUSE @ 9am

TEAMS ARE NEEDED TO PRUNE, PLANT, AND RAKE IDENTIFIED SPOTS IN THE COMMON AREAS AND AT THE MONUMENTS. THE MORE HELPING HANDS WE HAVE, THE MORE WORK WE WILL BE ABLE TO ACCOMPLISH TO BEAUTIFY OUR COMMUNITY!

BRING TOOLS, GARDEN GLOVES, AND A FEW CLEAR LEAF BAGS

ALL AGES ARE WELCOME, BUT CHILDREN UNDER 7 MUST BE ACCOMPANIED BY A CAREGIVER.

SOME THINGS ARE WORTH REPEATING!

Our past newsletters have addressed issues that may not be comfortable, but necessary to talk about. We want to maintain a positive tone but need to be realistic about the issues that neighbors are concerned about. So, let's review a few of the issues that continue to be in the top Facebook and CAF discussions and are raised by our residents during open meetings.

DOGS!!!!

C'mon Folks...Be a Good Neighbor!

During the March 2024 Open Meeting, a Hamlet Court resident urged the Board to increase efforts in educating residents about the issue of dogs leaving waste in flower beds. Despite repeated mentions in past newsletters, there seems to be a limit to what can be done. The plea remains for residents to demonstrate courtesy towards their neighbors by refraining from allowing their pets to relieve themselves in flower beds.

NO NEIGHBOR should think it's funny or acceptable to allow your pet to pee and poop in other neighbor's flowerbeds. We have several residents who consistently do this and no fine seems to stop them. C'mon folks ... we can do better!!!

Without a name or picture, the Board's ability to address the issue is severely limited. However, it begs the question: why should residents feel compelled to report on each other just to prevent dogs from relieving themselves in their neighbors' flower beds? And why are multiple time offenders not learning from the excessive fines?

As responsible pet owners, it is our duty to keep our furry friends safe and happy while also being respectful of our neighbors and community. **Using a leash and picking up after your dog are not only CHOA mandates, but also important steps in being a good neighbor. Picking up after your pet helps keep our community clean and enjoyable for all. It's important to remember that our actions impact those around us, and it's our responsibility to be considerate of our neighbors who walk the paths and the children who run and play in the grassy common areas.**

Leashing your dog does NOT mean putting a leash on it and allowing it to roam. It means the Hooman is supposed to hold the end of the leash and guide the dog on the walk. Picking up after your dog does not mean doing it only when neighbors observe you – it means doing it every time your dog has a bowel movement!

Smithy Glen governing document titled "Design Document Smithy Glen HOA Sub", Use restrictions, para G, page 8, Animals, states:

No animals, livestock, or poultry of any kind shall be raised, bred, or kept upon any Lot or within any townhouse thereon or in the Common Area, except such dogs, cats, or other household pets as may be permitted by the rules and regulations adopted by the Association. Homeowners are restricted to two four legged Pets. The document also clearly states that No animals should be allowed to run free. All dogs must be on a leash.

Household Chemical Collection

- Do not smoke.
- Do not leave material in hot unventilated areas for long periods.
- When possible, keep products in original container and ensure lids or caps are tight.
- Place items securely in boxes for transport.
- To prevent unfavorable chemical reactions, do not put multiple containers in bags or soft containers where they may spill or break.
- If you have a leaking container, place this item separately in a clear plastic bag, with newspaper or paper towels on the bottom. Secure in an upright position so it doesn't spill in your vehicle. Please notify staff that the item is leaking.
- MXI is the premiere service provider for household hazardous waste collection events sponsored by states, counties, and municipalities and provides disposal services at the VPPSA events. With a fleet of permitted vehicles, national network of terminals, staff of highly trained personnel, and a Materials Recovery Facility, MXI offers a full range of recycling and disposal services using the cutting edge of universal hazardous waste management technology.

Computer Recycling

- Since 2001, our contractor, Computer Recycling of Virginia, has erased every hard drive using software that meets or exceeds all industry standards, including the NIST 800-88. Once the wipe process is complete, any hard drive that fails the wipe process is physically destroyed.
- The mission of Computer Recycling of Virginia, Inc. (CRVA) is to place educationally—useful equipment into Virginia's schools and non-profit organizations free of charge, while promoting electronics recycling throughout Virginia.

At the collection:

- A VPPSA employee will ask which city or county you live in, and what materials you've brought. Proof of residency may be required.
- VPPSA staff will unload your vehicle. Please stay in your vehicle unless requested to do otherwise.
- There are separate drop off points for household chemicals and computers.
- Be prepared to identify your materials. If unsure, tell VPPSA staff before they begin unloading.

Thanks for your patience and cooperation.

Alternative Recycling and Disposal Sites
