

Press Release: Introducing the G3 Abrasion Boot for Aircraft Horizontal Stabilizers

FOR IMMEDIATE RELEASE

West Coast Kit Planes Ltd. Unveils the G3 Abrasion Boot: Ultimate Protection for Your Experimental / Amateur-Built Aircraft's Horizontal Stabilizer

Fraser Valley, BC — April 6, 2024

West Coast Kit Planes Ltd., a trusted name in experimental and amateur-built aircraft accessories for Murphy Aircraft-type aircraft kits, is thrilled to announce the launch of our latest innovation—the ***G3 Abrasion Boot**. Designed specifically to safeguard the leading edge of your aircraft's Horizontal Stabilizer, the G3 Abrasion Boot is a notable change for aviators who demand both performance and durability.

Key Features of the G3 Abrasion Boot:

- 1. Tapered Form Fit:**
 - Our designers have meticulously crafted the G3 Abrasion Boot to seamlessly conform to the contours of your Horizontal Stabilizer. Say goodbye to bulky or too thin, ill-fitting protection—this boot hugs the leading edge like a second skin.
- 2. Rock and Debris Defense:**
 - The aviation world can be unforgiving, with rocks, gravel, and debris often kicked up during takeoff and landing. The G3 Abrasion Boot acts as a shield, preventing damage and extending the life of your Horizontal Stabilizer.
- 3. Easy Installation:**
 - The G3 Abrasion Boot comes in a convenient **two-piece set**, making installation a breeze. Simply follow the step-by-step included instructions, and your aircraft will be ready for action.
- 4. Affordable Protection:**
 - The G3 Abrasion Boot offers exceptional value. We believe that every aviator, whether a seasoned pilot or a weekend flyer, deserves top-notch protection without breaking the bank. [Contact Us](#) to order your set of boots today.

Why Choose the G3 Abrasion Boot?

- **Quality Assurance:** Rigorous testing ensures that the G3 Abrasion Boot meets the highest standards. Trust in a product that pilots have put through its paces.
- **Tailored for You:** Whether you are flying an experimental or amateur-built aircraft, the G3 Abrasion Boot fits the bill.
- **Customer Satisfaction:** We are here to answer your questions and assist you every step of the way.

Order Yours Today!

Visit our website at www.westcoastkitplanes.com to place your order. Do not wait—protect your investment and give your aircraft the care it deserves. Your Horizontal Stabilizer will thank you for it!
