- Lead and oversee the development of each gymnastics discipline (MAG, WAG, TG) in the province
- Oversee the development of judges in the province
- Manage the logistics associated with the planning of GNL competitions (Provincials, Atlantics, Easterns, Nationals)
- Manage the implementation of technical rules, regulations, policies & procedures
- Communicate and consult with the provincial and Canadian national gymnastics community
- Oversee the Coaching Development Specialist activities

Qualifications

- University degree in a related field or an equivalent combination of education, training and experience
- Up-to-date experience and expertise in one major gymnastics discipline
- Experience in management or leadership roles
- Skilled in program design implementation and management

Personal Characteristics

- Strong time management skills and ability to manage concurrent tasks efficiently
- Highly self-motivated, innovative thinker with the ability to take direction, work as part of a team, and make independent decisions as required
- Superior motivational and problem-solving skills
- Able to build and maintain effective working relationships
- Must pay superior attention to detail.
- Understanding of, and sensitivity to, cultural and political issues
- Excellent leadership, organizational, interpersonal, oral, and written communication skills.

Candidates can submit their cover letter, resume and 3 work related references (MS Word or PDF) to Gymnastics Newfoundland and Labrador at gymnastics@sportnl.ca on or before August 15, 2021. Please ensure the subject line reads "GNL Technical Director"

The successful candidate must be willing to relocate to NL. GNL is an equal opportunity employer. We thank all applicants for their interest; however, only those being considered will be contacted. This position recruitment will remain opened until a suitable candidate is found.

A competitive compensation package that includes an attractive base salary, benefits and professional skills upgrading await the successful candidate.
