*Specific exception: athletes who reside in Fermont, Quebec – who live nearby and are registered with and train at Snowbirds Gymnastics.

2.1 GNL's Competitive Program Levels

GNL's MAG programming includes GymCan's Canadian Provincial Pathways and Elite Program.

The Canadian Provincial Pathway Program

Gymnastics Canada has created the Canadian Provincial Pathways Program to provide direction and foster competition for different age groups of boys and young men of various levels of ability and commitment. GNL uses this tool as a guide to provide programming for male gymnasts in the province.

The Canadian Provincial Pathway consists of 6 levels; P1-P4, Provincial Open (Prov. Open), and National Open (Nat. Open).

P1 & P2: athletes compete compulsory routines (refer to [GymCan's 2024-2025 Provincial Pathways P1 & P2 Program Manual](#)). Providing the athletes are age eligible and they make team, P2 athletes are the first MAG level that can compete at Eastern Championships.

P3-P4 & Prov. Open and National Open: refer to [GymCan's 2024-2025 Provincial Pathways 3, 4, Open and National Open Program Manual](#).

GymCan's Long Term Development in the Pathways (GymCan's 2024-2025 Program Manual)

Category & Ages	Competition Stream	LTD Stage	Characteristics
Provincial 1 & 2	Provincial	FUNDamentals	Develop fundamental movement skill, with emphasis on participation and having FUN on a daily basis.

Provincial 3	Modified Junior FIG rules FIG - 6 skills with GymCan supplementary rules

The Canadian Elite Pathway Program

This program has been prepared with the goal of developing a higher level of elite performance for Canada. It has been reworked and is the product of a great deal of consultation from Canadian coaches involved with our National Team. Our goal is to set out a pathway that will properly prepare our athletes who are able to follow the Elite Pathway towards international success in individual and team competitions. It is expected that within the provinces there will be a coordinated effort to align our initiatives towards a common set of goals. The revised Elite Pathways progressively develop the young talented gymnasts' technique and routine structure to define a Canadian style and prepare these athletes for international excellence. These routines will be challenging for all of our athletes and coaches, but are achievable for the talent pool in the country. The Provincial Pathways program will also provide a challenge and will be similar to the Elite program, though with reduced expectations to be developmentally appropriate.

GymCan's Elite Pathway program consists of four categories of competition; Aspire, Junior and Senior Next Gen, and Senior, which all compete at Elite Canada and the Canadian Championships. Refer to [GymCan's 2024-2025 Elite Pathways Program Manual](#).

GymCan's Long Term Development in the Elite Pathway

Athletes can be registered in any level subject to their coach's discretion and providing they are within the recommended minimum and maximum age. 3.3 Athlete Confirmation of Competitive Level

A recreational athlete may be deemed a competitive athlete by registering for a GNL sanctioned competition by the deadline indicated on the meet entry form and provided the athletes membership with GNL is upgraded to the competitive category. Any additional registration or upgrading fees as well as upgrading fee for the club if it is not already registered as a competitive club will apply.

Gymnasts registered or upgraded to national stream will remain registered national for the entire competitive season.

Gymnasts who compete in a national stream category at an in-province GNL sanctioned competition will be automatically upgraded and will be required to pay the according fees if not already registered as such in Uplifter.

The following events require a National/High Performance affiliation with GNL: Canadian Championships, and all trial and selection meets for the event.

Athletes who take part in any pre-provincial events or competitions must be registered as competitive athletes with GNL.

An athlete may only register for and compete in one level at a time within the same discipline and competition.

Moving Up Levels

As of October 15, of the competitive season, athletes can be registered in any level subject to the coach's discretion. Athletes should follow the normal progression going from a lower level toward a higher level. An athlete may move up a level at any time providing they meet minimum program requirements and eligibilities and have notified GNL and made the necessary upgrade in Uplifter.

Moving Down Levels

Movement to a lower competitive level is only permitted if it is prior to or within 48 hours from the time results are published of the last GNL sanctioned competition that is prior to Provincial Championships. GNL must be notified and their membership level updated in Uplifter and, if applicable, in the Provincial Championship's registration. After such time, the athlete may not move down a competitive level.

3.4 Coach Registration

Only coaches who are registered members in good standing of GNL are eligible to take part in GNL programs and competitions in and/or out of province.

All competitive coaches must be registered with a member club and with GNL by the 15th of the month from when they start coaching.

To maintain the privilege of membership in GNL, all coaches shall act in accordance with the established GNL, GymCan, and CAC Codes of Conduct.

All GNL registered coaches and those participating in a GNL sanctioned event must be trained or certified through the NCCP and comply with all coaching requirements outlined in the [GNL's Coach Education Handbook](#).

For all GNL sanctioned events, the hosting club is responsible to submit a list of all coaches that have registered and/or are planning to attend the competition, prior to the event start date to verify they comply with minimum coach training requirements.

Any coach who wishes to coach at a GNL sanctioned event but who does not meet all coaching requirements must apply to GNL for a [coach exemption](#).

In addition to the above, all GNL registered coaches participating at the Atlantic, Eastern, Elite Canada, Canadian Championships, and/or representing Team NL at any out-of-province event must also comply with any coaching requirements outlined in the current event directives or manuals and be minimum 19 years of age.

Coaches should be familiar with all regulations regarding attire for athletes and coaches in the applicable GymCan Program Manual and/or FIG Code of Points.

Athlete Competitive Attire

Gymnasts must be attired according to the stipulations of the current [FIG Code of Points](#) - competition singlet, competition shorts and competition long gymnastics pants with socks. Gymnasts in Provincial 1-3 may compete in shorts on all apparatus with a competition singlet. Gymnasts are required to always wear a shirt during competition warm-ups (in training gym and competition gym). Athletes from the same team or club must wear the same competition attire.

5.3 Coach Inquiries, Protests and Appeals Process

Stage 1: Inquiries

If the coach has a question regarding an exercise, they may ask the Apparatus Chief Judge (ACJ). They may also ask the CCJ, who will discuss with the apparatus judge. A coach may only inquire about a D and/or E score of their own athlete/club.

A coach may also inquire about a change to the technical organization (e.g. order of passage, warm-up procedures, etc.) with the event difficulty (D1) or CCJ. A coach must IMMEDIATELY voice any concerns and have the concerns addressed BEFORE the changes are carried through otherwise, the coach will not have the option to protest or appeal the change later during the competition.

Response to an inquiry must not in any way delay the competition.

If the coach is not satisfied with the explanation given, they may file a protest (stage 2).

The final decision to adjust a score must occur before the beginning of the next rotation. The ACJ will notify the coach of any adjustments. The coach will have the option to protest the new score within the usual time frame.

Stage 2: Protests

A protest is the second stage when the coach is not satisfied with the information provided at the Inquire stage and seeks a formal review. A coach may make a judging protest or a technical protest for their own athlete/club during any Provincial, National or HP competition in province.

A **technical protest** is allowed on:

1. Equipment failure (gymnastics or audio)
2. Special occurrences related to the organization that alter the competition conditions (like the order of passage, warm-up procedures, etc.)
3. Deductions/penalties for athlete conduct as listed by the FIG Code of Points, the GymCan Program Manuals or other MAG program documents: non-identical attire, incorrect uniform, incorrect advertising, jewelry, padding, missing start number, non-observance of warm-up time and order, non-observance of competition order, signals, verbal commands and similar, unexcused delay or interruption of the competition, unauthorized leaving of the competition area, unsportsmanlike behavior.
4. Any other deductions/penalties for coach conduct as listed by the FIG/_CPP Code of Points or MAG documents: attire, unexcused delay or interruption of the competition, number of coaches on the floor, number of coaches near the apparatus, signals, verbal commands, and similar, unsportsmanlike behavior.

Protest Process

The appropriate protest form (Appendix C) per athlete, per apparatus, must be completed by the coach and submitted to the CCJ or designate. The form must be submitted to the CCJ, no later than 15 minutes after the completion of the rotation. In the case of the last rotation, the coach has 5 minutes after the completion of the last rotation to file a protest.

In the case of an unsuccessful protest, GNL will invoice the club in question the fee (CPP \$20, HP \$40) after the event. This fee is waived if the protest is granted.

The respective panel may at its discretion and depending on the nature of the protest:

- use video(s) provided by the designated host club or GNL video system, where video recording was required (videos from the crowd/parents or coaches, will not be accepted for a protest. In the case that no video is formally collected, judges will be led in discussions by the CCJ.
- hear from the coach who submitted the protest,
- involve the timer and/or line judge, when available, in the discussion,
- attempt to reach a decision on the protest by consensus,
- in the case of a tie, the D1 judge will ask the CCJ to break the tie, and
- provide the rationale for their decision in writing on the protest form.

Following a protest, when a change is made to the D Score/E Score/Final Score the following will occur:

1. The CCJ will make a copy of the form, return the protest form and fee to the coach, and inform the Chief Scorer of the change.
2. The new score will be posted with all other scores but will not be re-flashed in the competition area.

Stage 3: Appeals

Within GNL sanctioned events, there are NO appeals for judging or technical protests.

SECTION 6: PROVINCIAL CHAMPIONSHIPS

GNL will annually offer a Provincial Championships competition during which Provincial Champions will be declared, where applicable, for the levels and age categories outlined in the Provincial Competition Structure (above).

If there is a tie it will go to the athlete with the most B/C elements in their routine. If a further tiebreaker is needed then the athlete with the better execution score will be given the award.

SECTION 7: PROVINCIAL TEAM (TEAM NL)

Team NL events will include any competition where GNL identifies a team that will represent NL. This includes competitions such as:

- Atlantic Championships
- Eastern Canadian Championships
- Canadian Championships
- NL Winter Games
- Canada Winter Games (CWG)

7.1 Team NL Selection Process & Eligibility

Gymnasts selected to provincial teams for any events must be registered members in good standing with GNL in either the Provincial Pathway Program (P1-National Open) or the Elite Pathway (Aspire-Senior).

Immediately following the conclusion of the Provincial Championships competition, the MTC will meet and select teams for Atlantic Championships, Eastern Canadian Championships, and Canadian Championships according to the ranking process outlined below.

At each step of the ranking process, to be considered for Team NL, the athlete must also meet the minimum qualifying score (either AA or apparatus) for that level, category, or event.

Note: The Team NL selection process for P 1 & P 2 athletes is different from the Team NL selection process for PP 3 and higher-level athletes.

7.2 Team NL Ranking Process

P1 & P2:

Step #1. Athletes are ranked based 100% on their AA scores from Provincial Championships.

Step #2. If after step #1 the team is not filled, athletes' highest all-around score from a previous GNL sanctioned meet will be automatically applied.

P3 and higher: *Due to the new code in effect for the 2024-2025 season, the Team NL ranking process for levels P3 and higher will follow the same process that is used for P1 & P2, without a minimum all-around qualifying score required.

Step #1. Athletes are ranked based 100% on their all-around scores from Provincial Championships.

Step #2. If after step #1 the team is not filled, an athletes' individual apparatus combined scores from **Provincial Championships** will be considered in the following manner:

Athletes who have attained the individual apparatus qualifying combination score for 5 events will prevail, followed by those who have attained the apparatus qualifying combination score for 4 events and continuing to attained an apparatus qualifying score in 1 event.

Special Condition: An athlete's individual apparatus qualifying combined scores will only be applied if said athlete has attained the minimum qualifying AA score from at least one other previous GNL sanctioned event.

Step #3. If after step #2 the team is not filled, step #2 will be applied in the same manner but without the special condition. The athlete in this case may not have attained minimum qualifying AA score at any previous GNL sanctioned event.

Step #4. If after step #3 the team is not filled, the MTC will consider any petitioned athlete's who either did not compete at Provincials and/or have not attained minimum qualifying scores; either AA or Individual apparatus.

P3 and higher level athletes who make team as a result of fulfilling step #2 or Step #3's criteria, are only permitted to compete the 5, 4, 3, 2, or 1 apparatus' in which they were named to team for. For example, if an athlete makes team NL for Atlantics because of their combined score on floor and rings, the athlete can only compete on floor and rings at the Atlantic Championships.

P4	62.5	11	10	10	10	10.5	10
Open	62.5	11.5	10	10.5	11	11	10
National	64	11.5	10	10.5	12	11.5	10

Note: Junior and Senior gymnasts must qualify as per Gymnastics Canada Rules.

The MTC will review the apparatus's minimum qualifying standards each year to consider adjustments where/when needed and the scores will be published in the technical regulations prior to the upcoming competition season.

In the event of a tie for Team NL selection, the athletes' lower individual apparatus score will be dropped and the athlete with the highest total of the remaining apparatus scores will prevail. Upon failure of that a draw will determine selection.

Final team selection is the responsibility of the MTC and approved by the TD.

Once the final team is approved by the MTC, GNL will release the names of the team to the public. Alternates are ranked but only named to team if someone on the team does not accept their position.

7.4 Provincial Team Selection – Conditions

All athletes who make team will need to confirm their acceptance by the deadline set by GNL. The registration deadline for Atlantic Championships, Eastern Championships and/or Canadian Championships dictates how much time athletes are given to confirm their acceptance.

All members of Team NL must complete and return all requested waivers and medical forms by the set deadline.

The clubs in which team members are affiliated with must pay the required fees by the set deadline.

Athletes attending a Team NL event, such as Atlantics, Easterns, and Canadian Championships, must wear the official Team NL uniform. Uniform orders will take place online early in the competitive season. All orders must be completed by the set date. There will be NO refunds for uniform pieces once the order has been placed with the supplier.

Once a gymnast or alternate has been selected to a Provincial team, they must continue to train at the suitable training level, execute full routines with appropriate content, follow any reasonable requests of the MTC, and notify the TD of any injuries.

If an athlete relinquishes their position on a provincial team, GNL's TD must be notified immediately. There will be no refunds issued if registration for either Eastern or Canadian Championships has already been processed. In case of injury, the decision as to whether or not a refund can be issued will depend on the event's hosting club or PSO's refund policy.

Should an athlete be injured and is unable to compete prior to travel and if the host competition allows entry, then said athlete must relinquish their position on the provincial team to the next highest scoring athlete determined from the ranking process.
