

Message from the Board of Directors

The last several weeks have been extremely challenging for everyone including those of us in the Gymnastics community: gym closures, staff layoffs and hundreds of athletes displaced.

It was not an easy decision to cancel our Provincial Championships in Corner Brook. As a board we understand the significance of this event and will revisit hosting once clubs are back in their facilities and we all return to a new normal.

However, given the current health problem that we as part of a wider world are encountering, our disappointment seems trivial relative to the many who are ill or who have lost their lives due to COVID-19 virus.

Meanwhile your Executive Committee continue to meet virtually. We are working to fill the vacant positions of Technical Director and Program Assistant. The current COVID-19 pandemic is certainly making this more challenging but negotiations continue to find the right people to fill these positions.

In the meantime, please look after your health. Stay home as much as you can. Follow all protocols in place. We will soon be able to swing, flip, cartwheel and land again soon.
