COACHING

Coaches must be Gymnastics Foundations Artistic Certified or Level 1 Artistic Certified to coach Interclub levels. The NCCP Competition 1 Women's Artistic coaching course (or previously Level 2 Technical) is strongly recommended for all coaches who wish to coach at this level. In addition, each coach must have completed the *Gymnastics Newfoundland & Labrador's* online *Respect in Sport* course.

For CPP, a coach can stand beside the apparatus at all times, but if he/she spots or touches the athlete during the element up to the value of the element plus 0.50 will be deducted from the score. If a coach touches the athlete to assist on the landing only a 0.50 deduction will be taken. In XCEL – please refer to the program manual.

There is no deduction for a coach reminding a gymnast what skill is next.

SCORING

No flashing of scores for athletes born 2015

For the 2021-2022 season each invitational may choose how they will score interclub athletes 2014+; however, the 2015 athletes and all subsequent years will continue to abide by LTAD standards for scoring and awards moving forward until they are in their 9 year old competitive year.

CPP Levels 1 & 2 will be judged as described in the USA Gymnastics Developmental Compulsory Program with the following omissions:

- Page 160 – Omit the 0.20 deduction for a coach/teammate giving assistance with verbal cues. We will allow the coach to remind the gymnast what comes next in the routine.

Scoring: All routines are scored out of 10.0
Maximum score = 10.0
Minimum score = 1.0

JUDGING REQUIREMENTS

- Please refer to the Women's Judging Manual

AWARDS

Athletes born in 2015

All Around medals are awarded to each participant (Gold, Silver and Bronze) based on their personal score. Athlete placings are determined using the following system:

ALL AROUND

Gold	Silver	Bronze
36.000 or higher	33.200-35.999	33.199 or lower

Clubs may distribute their own medals or can purchase medals from GNL through e-mail or over the phone.

Clubs can also purchase participation ribbons (red, blue and white). Ribbons for each event are distributed according to the following scores:

VAULT, BARS, BEAM & FLOOR

Red (1 st)	Blue (2 nd)	White (3 rd)
9.000 or higher	8.300-8.999	8.299 or below

Tabulators at each event will have an envelope with a certificate for each athlete in the rotation. When the athlete's score is done being calculated the tabulator will place a ribbon in the envelope with the athletes certificate based on the range of scores above. The athlete's envelope will travel from event to event with rotation so when the competition is done the ribbons are already sorted and just need to be attached to athlete's certificate. The ribbons should be labeled with a sticker on the back (Vault, Bars, Beam or Floor) so the athlete knows which event they received each ribbon from. A participant certificate template is provided at the end of this document.

The order that athletes are called up to receive their all-around awards should be mixed up so less emphasis is placed on ranking. No podium should be used when presenting athletes with all around medals. The announcer should announce the age group and then call up the athletes by club and in random order and have the athletes stand side by side. Envelopes with certificates and ribbons attached should be given to coaches to distribute to their athletes before they leave the building.

Athletes born in 2014+

For the 2021-2022 season each invitational may choose how they will award interclub athletes 2014+; however, the 2015 athletes and all subsequent years will continue to abide by LTAD standards for scoring and awards moving forward until they are in their 9 year old competitive year.
