4 pts. for 1 place	AA
3 pts. for 2 place	AA
2 pts for 3 place	AA
1 pt. for 4 place	AA

7.3 Considerations for Selection to Provincial Teams: NCAA and Out-of-Province University Gymnasts

A Newfoundland & Labrador gymnast who has represented the province at a previous Canadian Championships and is a product of the Newfoundland & Labrador sports system may apply to the WTC for an alternate process to qualify for Team GNL. This gymnast must be currently training and competing in the NCAA gymnastics program in the United States or attending a university in Canada in another province AND she must be registered with GNL as a National Stream athlete. The following process will apply:

- The gymnast will apply in writing no later than February 1st to the MTC for consideration to be selected. The gymnast is to provide a list of competitions (and dates) he will be participating in.
- The gymnast must then provide quality video footage of 2 competitions as approved by the MTC, to be evaluated by the same panel of judges at the Trials and submitted no later than 2 days prior to the trials that are held in province.

- In the event that the gymnast does not compete All Around at the two selected competitions, he must provide written notice of his competition results from March to May to be reviewed by the MTC OR VIDEO in a simulated competition with competition equipment. The MTC will decide on which two competitions will be used for the athletes.
- The same judging panel as Trials will view the videotape at national trials and judge the routines based on Canadian Championships rules.
- The average All Around score of the two competitions on videotape will be the gymnast's score for trials.
- Minimum DVs and all-around score apply.
- The gymnast will be ranked using the average of the two All Around scores of the competitions on videotape.
- Gymnasts who have not met all minimum scores are not automatically selected, but may be petitioned.
- A maximum of 2 NCAA/Out of Province gymnasts may be selected, unless there are more positions open.
- Gymnasts who are selected are part of Team GNL and funded/serviced accordingly.

7.5 Team Managers

Team managers will be selected whenever team travel is required by GNL's ED or designate for the following competitions:

- Eastern & Canadian Championships
- Games programs/competitions
- Other Team Competitions

Priority will be given to responsible adults who can provide proper supervision and support to gymnasts, coaches and officials. A team manager's first responsibility is to supervise and support gymnasts and team members, not to act as a coach on the floor. All Team managers must provide a current police Record Check as per GNL Screening Policies.

GNL Provincial Camp Structure

Camps will be scheduled between the months of June - December so as not to interrupt the competitive season. If possible host 2 camps per level. Clubs need to be available to host such camps with the understanding that camps will be held within reason to give host club an opportunity to continue with regular programming as much as possible. In other words, not lose money by hosting a camp. Within reason, host clubs should coincide with the needs of the level of athletes.

To be fiscally responsible, camps can be combined: MAG and TRA - hold Provincial 1 and 2 camps over the same weekend and schedule 'separate' camps accordingly. For WAG, hold Provincial 2 and 3 camps over the same weekend and schedule 'separate' camps accordingly.

Request to clubs must be sent allowing for the club to suggest at most 3 possible dates to host. Host clubs will be paid a rental fee of \$100.00 for half day and \$200.00 for full day. Camps are held to benefit all competitive athletes within the GNL community. Camps can be used for CPE (Continuing Professional Development) activities necessary for judges and in turn, assist with athlete development. Coaches from clubs (not actively coaching at the camp) should be invited to attend on an observation basis for a minimal fee or at no cost. Camps should include technical portions as well as other sessions to be offered where applicable i.e.. Nutrition, Athletic Trainers, Artistic Impression, Pilates, Theory Component, long term planning, club structure, competitive structure..etc.

Selection Process:

All competitive athletes and aspiring pre-competitive athletes should be involved at some level to continue with the positive upward mobility of GNL. The number of coaches can reflect the number of athletes. See #2 below.

In general camps will be filled based on results and then additional athletes will be invited to make the camp fuller and more inclusive.

The Program Committee and/or Coaches should decide prior to each camp:

1. The philosophy and needs of the athletes for the camp. The camp should be structured as such. If an out of province clinician is desired, the clinician should be gleaned from such structure. ie. If vault preparation is key, then the clinician should be experienced and proven for this event.
2. Depending on the camp, given the number of qualified and proven coaches in the GNL community, they should be utilized as much as possible. GNL coaches paid to coach
3. An effort should be made to keep registration fees at a reasonable cost without deterring from the positive outcome of the camp.
4. Coaches and judges from all disciplines should be involved promoting a variety of learning.
5. A physical abilities testing (basic skills, conditioning and flexibility) should be scheduled as an 'event' Day 1 of each camp.
