In the case of the last rotation, the coach has 5 minutes after the completion of the rotation to file a protest. The fee is returned to the coach if the protest is granted. The fee is remitted to GNL if the protest is denied.

1. The Competition Head Judge will make a copy of the form, return the protest form and fee to the coach, and inform the Chief Scorer of the change.

### 7.3 Considerations for Selection to Provincial Teams: NCAA and Out-of-Province University Gymnasts

A Newfoundland & Labrador gymnast who has represented the province at a previous Canadian Championships and is a product of the Newfoundland & Labrador sports system may apply to the WTC for an alternate process to qualify for Team GNL. This gymnast must be currently training and competing in the NCAA gymnastics program in the United States or attending a university in Canada in another province AND she must be registered with GNL as a National Stream athlete. The following process will apply:

- The gymnast will apply in writing no later than February 1<sup>st</sup> to the MTC for consideration to be selected. The gymnast is to provide a list of competitions (and dates) he will be participating in.
- The gymnast must then provide quality video footage of 2 competitions as approved by the MTC, to be evaluated by the same panel of judges at the Trials and submitted no later than 2 days prior to the trials that are held in province.

- If the gymnast does not compete All Around at the two selected competitions, he must provide written notice of his competition results from March to May to be reviewed by the MTC OR VIDEO in a simulated competition with competition equipment. The MTC will decide on which two competitions will be used for the athletes.
- The same judging panel as Trials will view the videotape at national trials and judge the routines based on Canadian Championships rules.
- The average All Around score of the two competitions on videotape will be the gymnast's score for trials.
- Minimum DVs and all-around score apply.
- The gymnast will be ranked using the average of the two All Around scores of the competitions on videotape.
- Gymnasts who have not met all minimum scores are not automatically selected but may be petitioned.
- A maximum of 2 NCAA/Out of Province gymnasts may be selected unless there are more positions open.
- Gymnasts who are selected are part of Team GNL and funded/serviced accordingly.

### **7.5 Team Managers**

Team managers will be selected whenever team travel is required by GNL's ED or designate for the following competitions:

- Eastern & Canadian Championships
- Games programs/competitions
- Other Team Competitions

Priority will be given to responsible adults who can provide proper supervision and support to gymnasts, coaches and officials. A team manager's first responsibility is to supervise and support gymnasts and team members, not to act as a coach on the floor. All Team managers must provide a current police Record Check as per GNL Screening Policies.

**GNL Provincial Camp Structure**

Camps will be scheduled as needed and within timelines to not interrupt the competitive season. Clubs need to be available to host such camps with the understanding that camps will be held within reason to give host club an opportunity to continue with regular programming as much as possible.

Host clubs will be paid a rental fee of \$100.00 for half day and \$200.00 for full day. Camps are held to benefit all competitive athletes within the GNL community.

Camps can be used for CPE (Continuing Professional Development) activities necessary for judges and in turn, assist with athlete development.

Coaches from clubs (not actively coaching at the camp) CAN be invited to attend on an observation basis for a minimal fee or at no cost. Any professional development opportunities conducted at camps will be applied for CPE points for coaches.

A schedule must be done prior to the camp and sent to coaches.

A coach education session may be planned for exchange of ideas and a clinician Q & A.

Master Clinicians will be paid hourly honorariums at rates of:
