Butterfly & Pollinator Kits

Sunny Garden Kit

Cost: \$50

Number of Plugs: 12

The Butterfly and Pollinator Kit for Sunny Gardens is meant for gardens that get full or part sun (4 or more hours a day). This kit will include false blue indigo, butterfly milkweed, purple coneflower, smooth blue aster, prairie dropseed, and coreopsis.*

Shady Garden Kit

Cost: \$50

Number of Plugs: 12

The Butterfly and Pollinator Kit for Shady Gardens is meant for gardens that get 2-4 hours of sunlight. This kit will include columbine, sweet joe pye, woodland sedum, heart leaved ragwort, and wild geranium.*

Water's Edge Kit

Cost: \$50

Number of Plugs: 12

The Water's Edge Kit for Butterflies and Pollinators is meant for rain gardens, swales, and pond or lake edges. This kit will include blue flag iris, golden alexander, swamp milkweed, great blue lobelia, and dense blazingstar.*

Short & Showy Kit

Cost: \$50

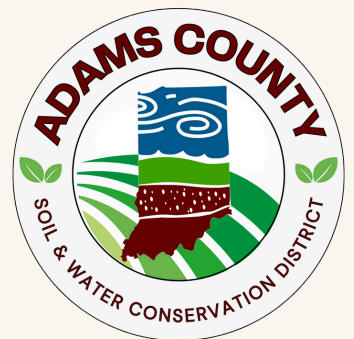

Number of Plugs: 12

The Short & Showy Kit for Butterflies and Pollinators is meant for a sunny site where plant height is desired to be short. This kit will include whorled milkweed, nodding onion, showy black-eyed Susan, blue eyed grass, and prairie smoke.*

**All listed species are subject to substitution due to availability and the Adams County SWCD's discretion.*
