

Insect Game Board

This game includes:

- 2 options for the game board (1 smaller and 1 bigger)
- Movement cards and die
- Playing pieces

Prep Instructions:

- Smaller game board- print the single page game board on card stock.
- Larger game board- print the 2 pages on card stock and tape the 2 pieces together with clear tape.
- Print the playing pieces, cards, and/or die.

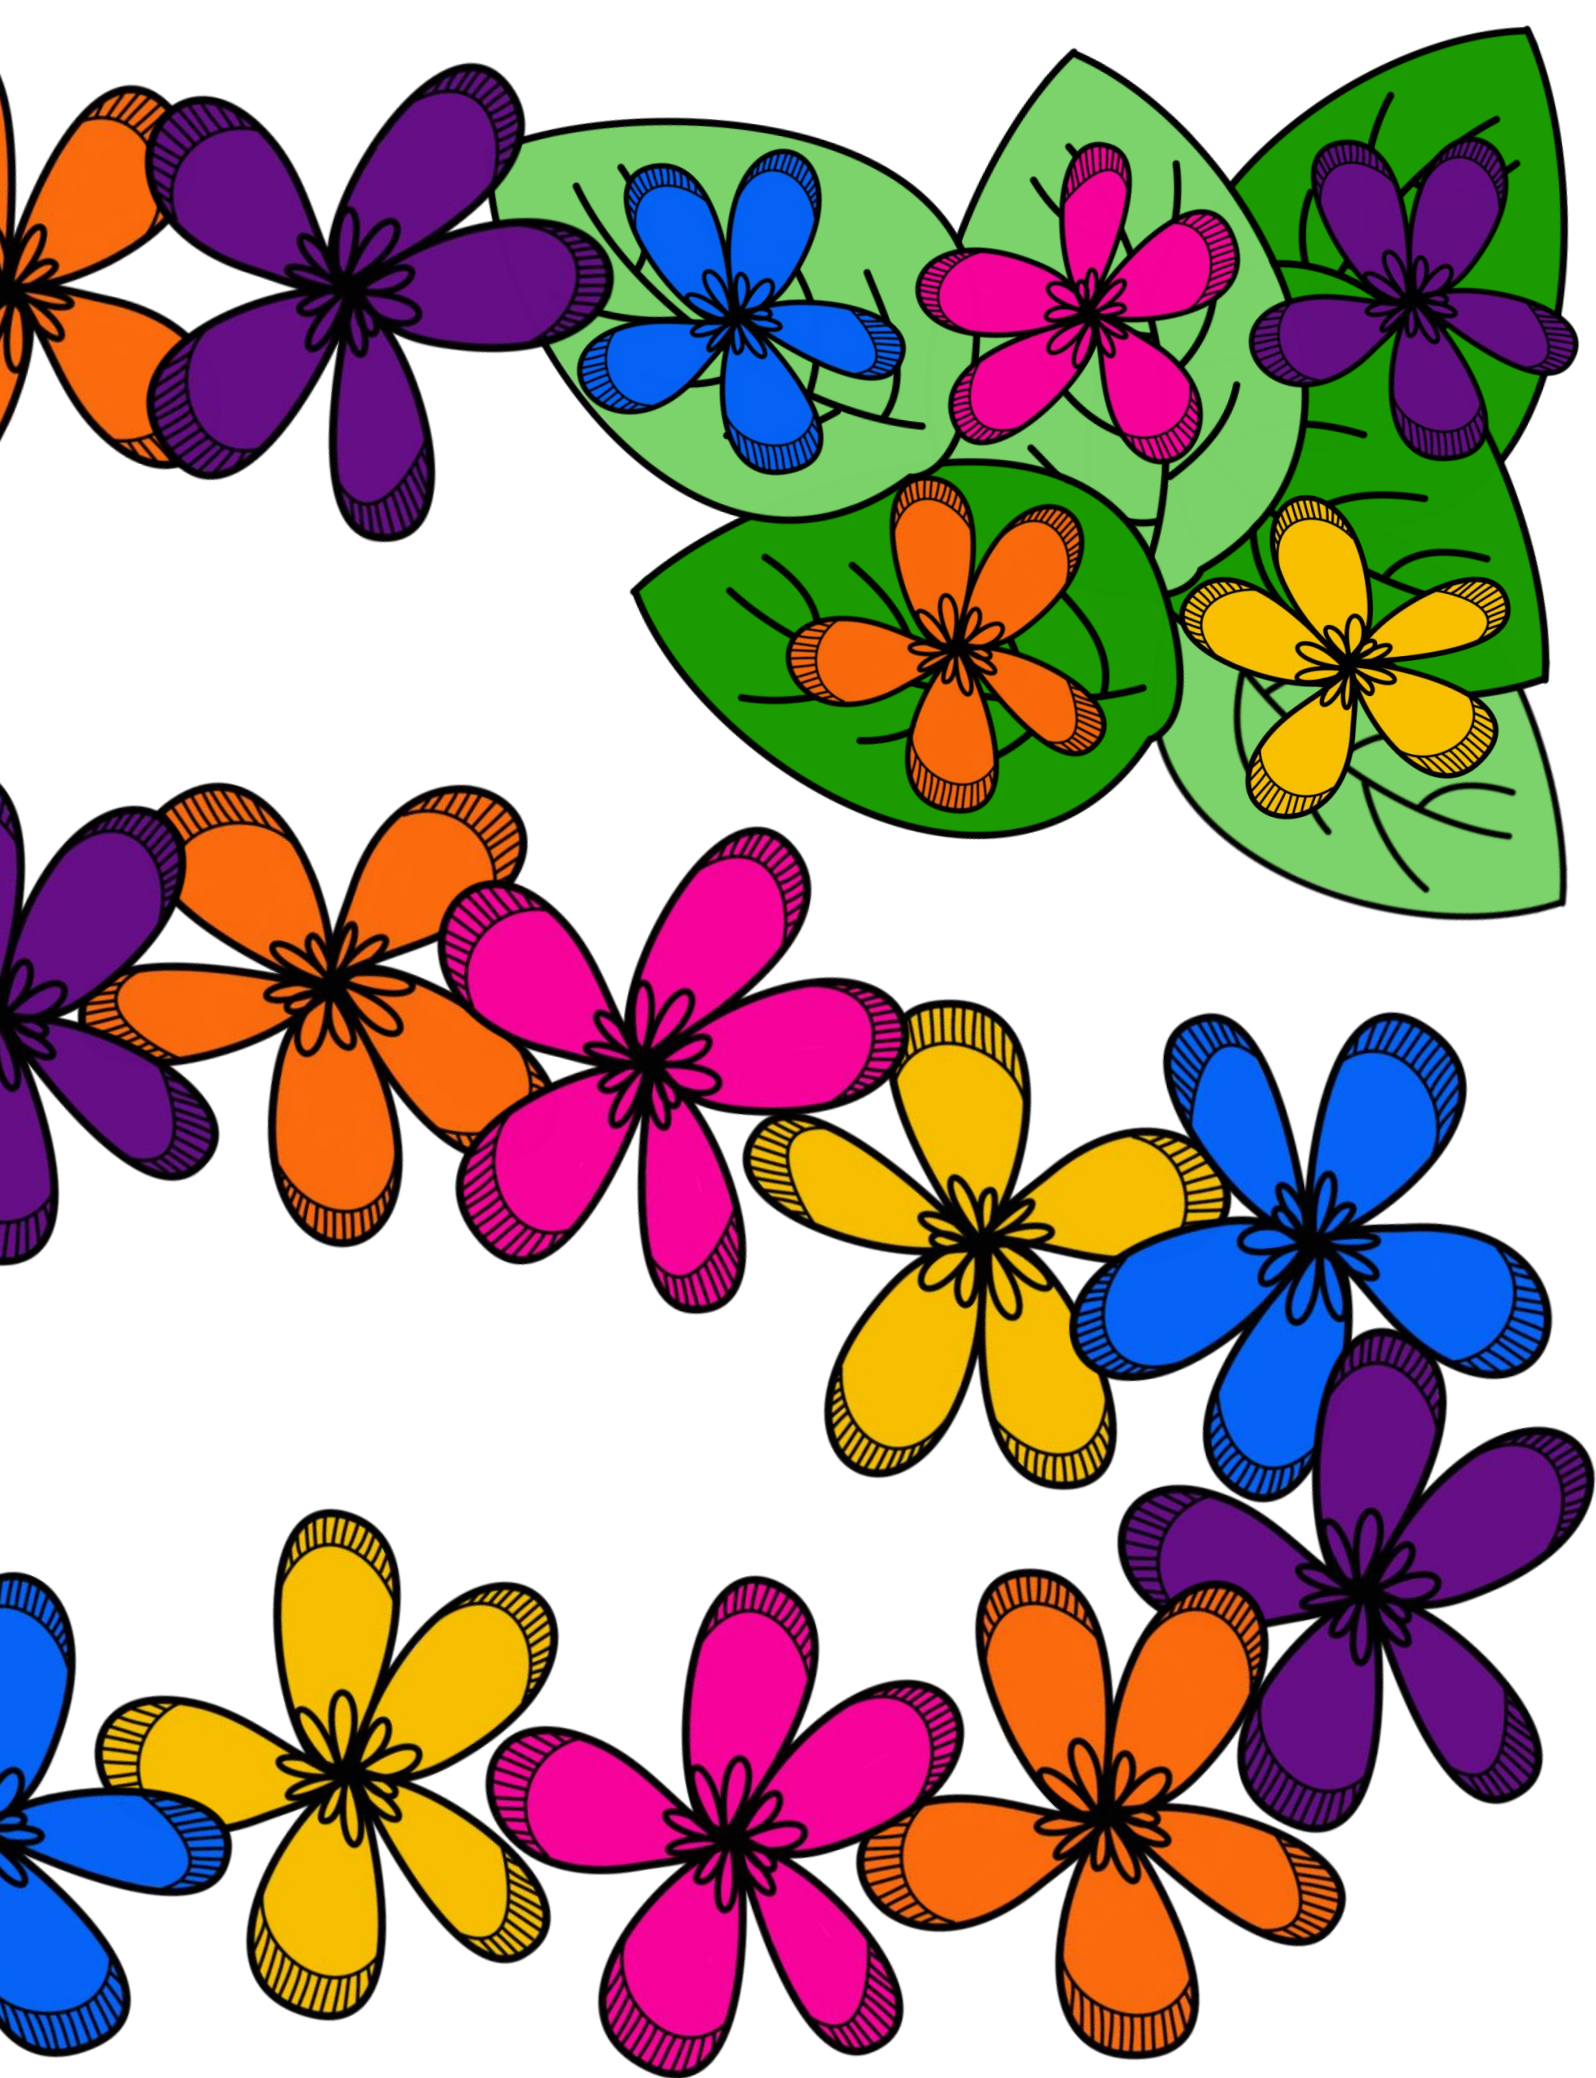

How To Play:

- Each player selects a playing piece.
- The first player rolls the movement die/picks a card and moves their playing piece to the first available flower of that color.
- The next player does the same.
- If another player is already on the color flower you roll, you move your playing piece to the next available flower of that color.
- The first one to the flower garden wins!
