

The 2 **I See Insects Booklets** can be used in the following ways:

Picture Booklet

1. Students can read the booklets individually, with a reading buddy or even take the booklet home to read to a family member.
2. The teacher can project the booklet in class to present the material, practice pronunciation and review at a later date.

Text Only Booklet

1. After reading the picture booklet, students can draw their own pictures so they'll each have their own version of the booklet. They can then read as they would the picture booklet.
2. The teacher can project the booklet and have students draw corresponding pictures on the Smart Board.

Both Books – Students can fold under the text portion and use the pages as flashcards.

Booklet Instruction Page

X (Staple here)

Instructions:

1. Students cut on outside borders (red dashed lines)
2. Students cut on inner borders (purple dashed lines)
3. Students assemble numbered pages and staple in upper left corner
