# HOW TO USE THIS Pack

I use these mats with a selection of matchbox cars to highlight correct letter formation. Some of my children prefer to use whiteboard markers.

Each letter has a  and a  shape and yellow dotted lines to follow.

Where letters need the pen to leave the paper, orders are numbered.

There are a wide range of ways I use these in my class.

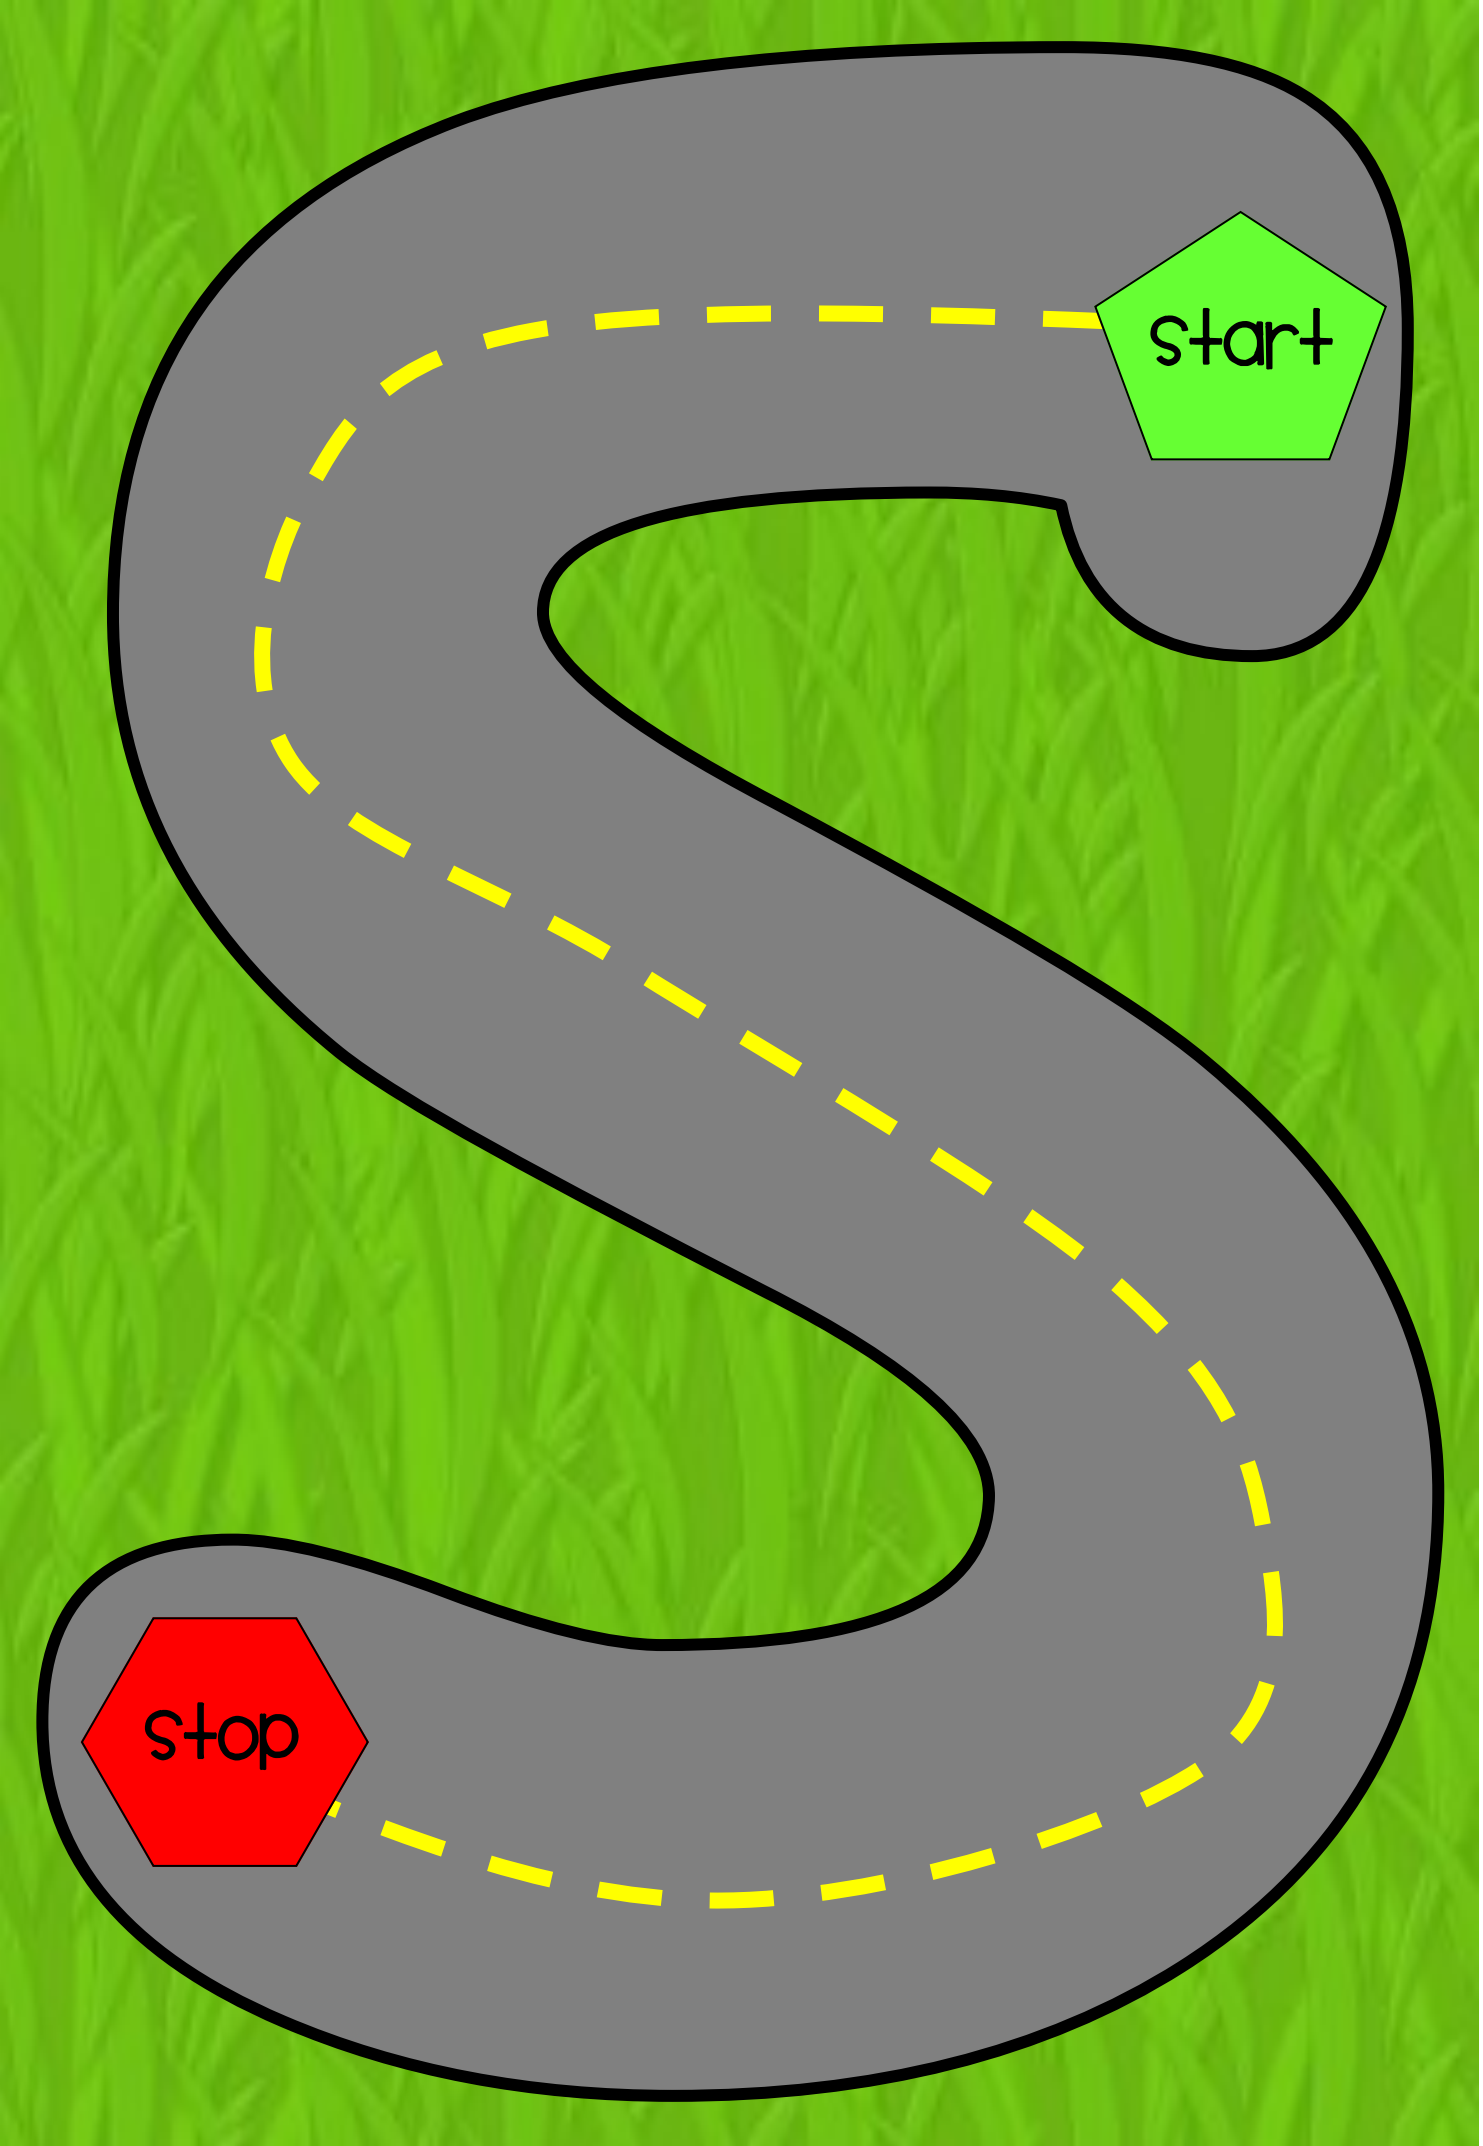

**Focus Letter:** I have a set of 4 of each letter and for each focus day these are out with cars ready.

**Literacy centres:** When we have completed a week of Jolly Phonics sounds I will set this up as one of the literacy groups for the following week so that students get to practice them

**Sounding out words:** Students use pictures of cvc word, then have to search for each sound and lay them in a row, then use their car to trace the word.—for this, I print 2 letters to a page for a mini pack

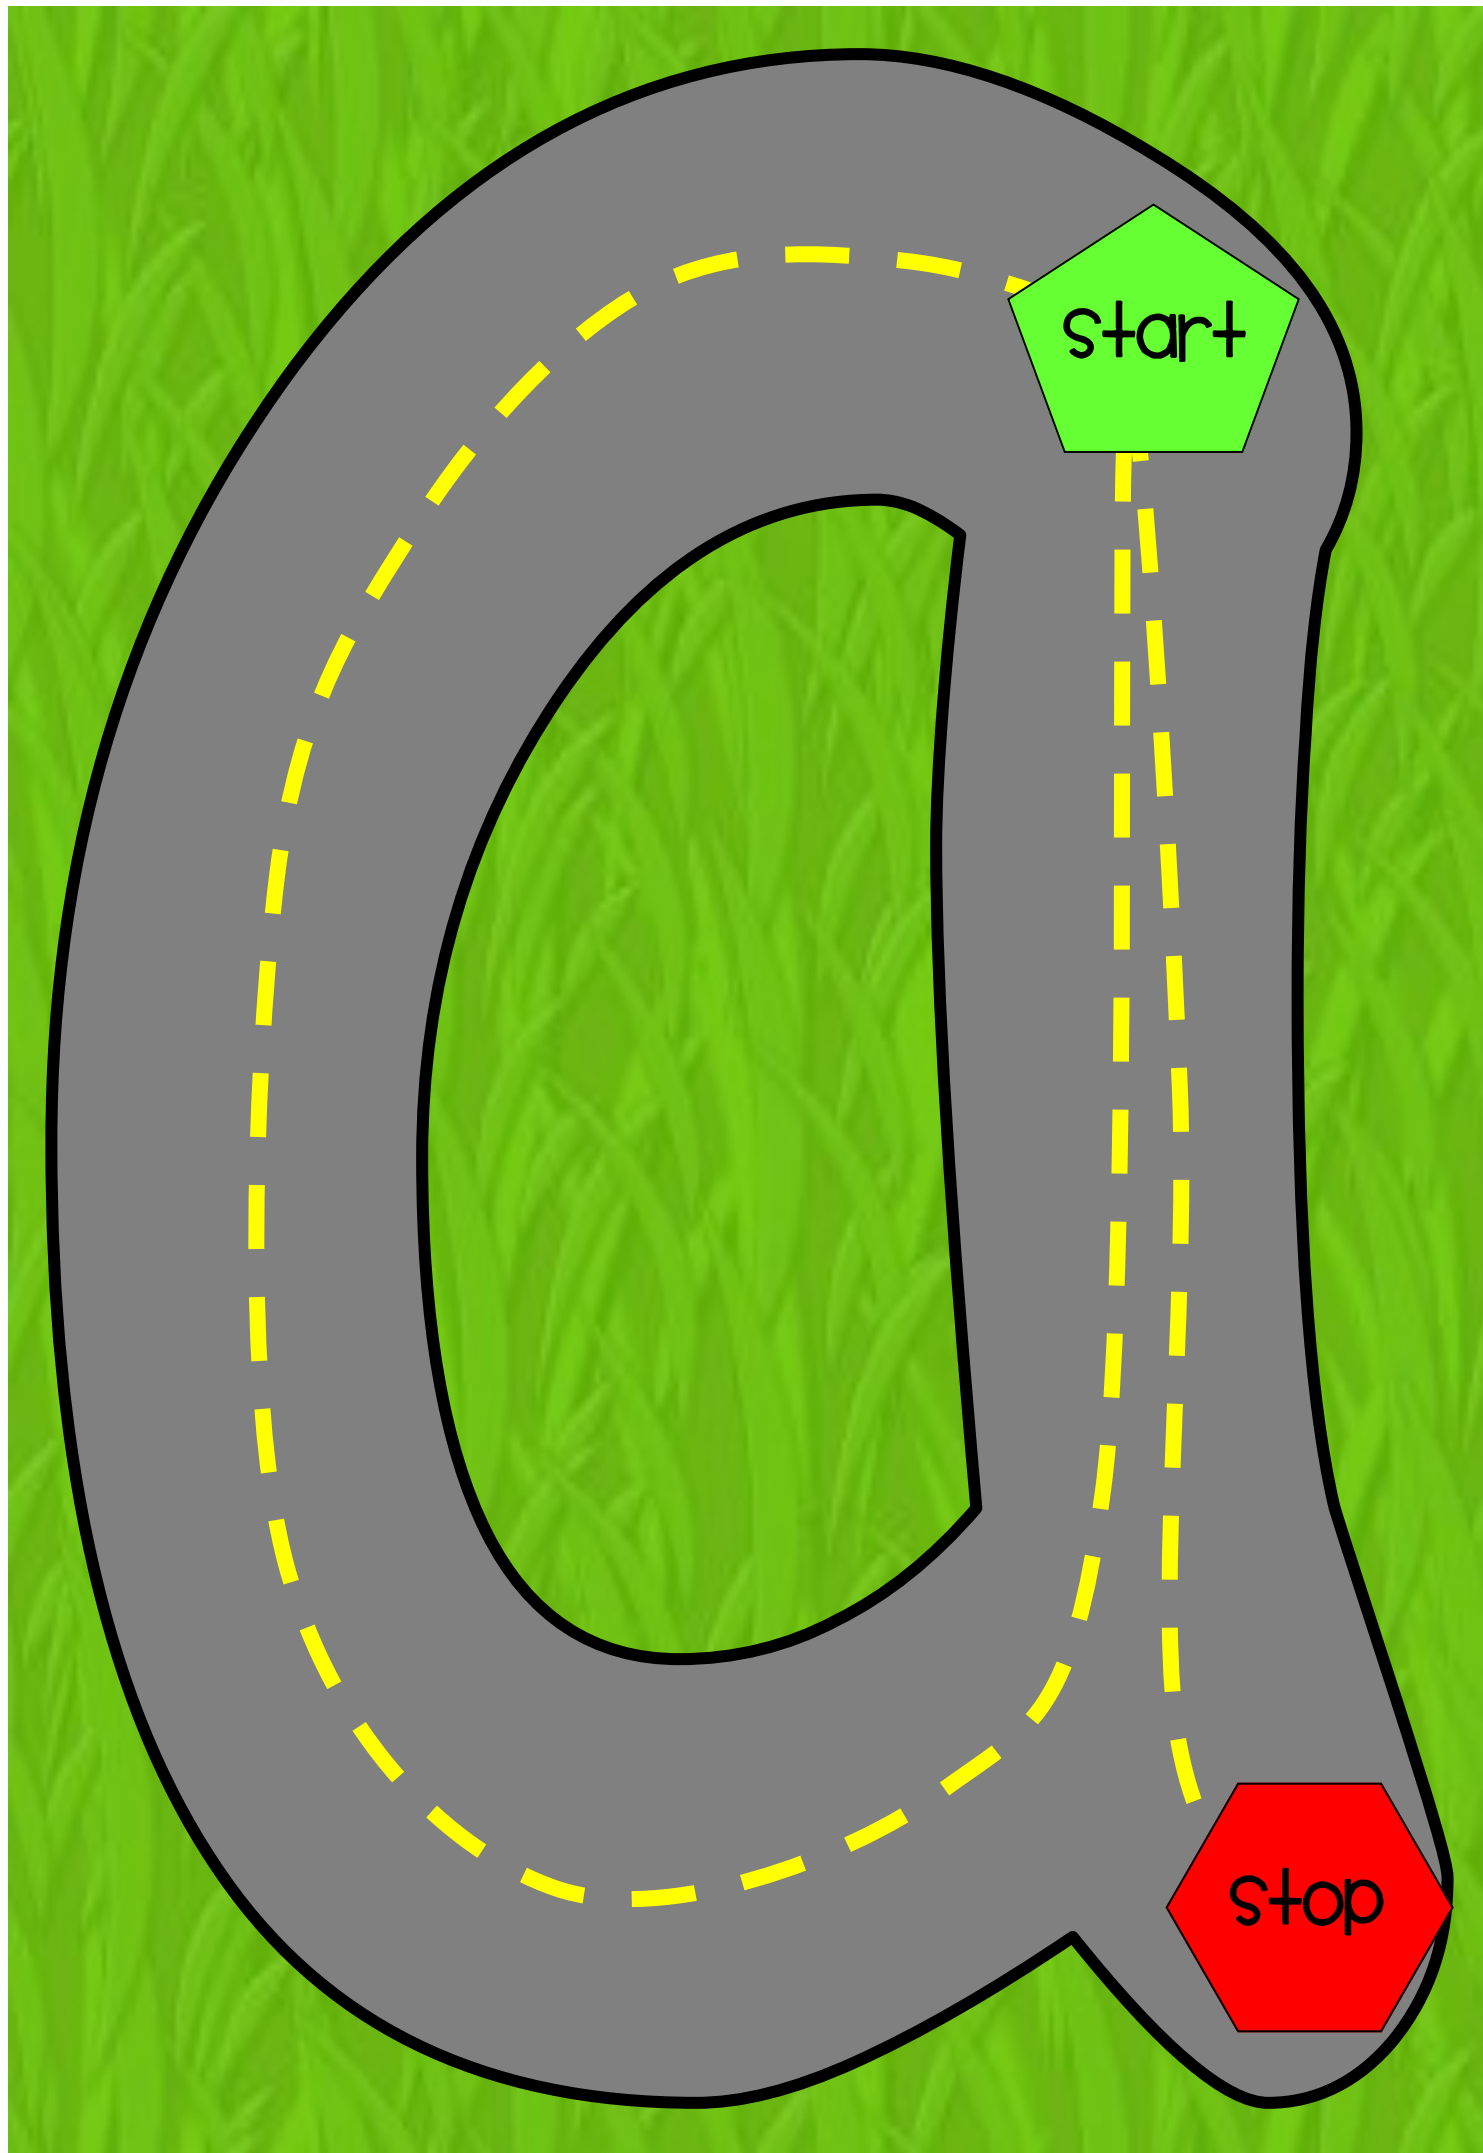

**Sight words/spelling:** a group of students use the mini pack to make and trace their sight words.
