

# Rock, paper, scissors!

## Insects

Thank you a lot for visiting my blog and downloading this file! I hope that you and your students have fun and learn a lot together using this free resource. You can find all of my files and links for this unit on my blog:

<http://www.mambiatka.com/2016/04/bugs-rock-paper-scissors.html>

This file contains the rock, paper, scissors game. To read about the rules visit my blog. If you would like to share my materials, please share a link to my blog. The materials were created for private and non-profit use so feel free to use them with your students. Please do not host these files anywhere else.
