

Lawn Care Technician

Job Title: Lawn Care Technician

Job Summary:

The Lawn Care Technician will be responsible for providing high-quality lawn care services to our customers. The ideal candidate will have experience with a variety of lawn care tasks, including mowing lawns, spreading fertilizer, dethatching, aerating, and other related services. They will be able to work independently or as part of a team and have a strong commitment to delivering excellent customer service.

Responsibilities:

- Perform a variety of lawn care services, including mowing lawns, edging, trimming, and blowing
- Apply fertilizers and other lawn care treatments as needed
- Conduct soil analysis and recommend treatments to improve lawn health and appearance
- Perform dethatching and aerating services to promote lawn health
- Maintain and repair lawn care equipment as needed
- Interact with customers in a professional and courteous manner, providing excellent customer service at all times
- Keep accurate records of work performed and materials used

Requirements:

- High school diploma or equivalent required; some college coursework in horticulture or a related field preferred
- 1-2 years of experience in lawn care or a related field
- Knowledge of lawn care equipment, such as mowers, trimmers, and blowers
- Familiarity with common lawn care treatments and their applications
- Strong communication and customer service skills
- Ability to work independently or as part of a team

Working Conditions:

This position will require the employee to work primarily outdoors, in a variety of weather conditions. The employee may be required to operate heavy equipment and lift up to 50 pounds.

Salary and Benefits:

The salary for this position will be commensurate with experience. Benefits may include health insurance, a retirement savings plan, and paid time off.

If you meet the qualifications and are interested in this opportunity, please submit your resume and cover letter for consideration.
