Dear Ms. Sanders,

On behalf of the City of South Fulton and District 2, it is my honor to extend this letter of support for **Alopecian Beauty Co.** and the incredible work you are leading across Georgia. Your commitment to improving the lives of individuals impacted by alopecia, lupus, and cancer through advocacy, health education, and community empowerment is both inspiring and essential to the health equity conversation in our state.

I commend you and your team for hosting the **8th Annual ALC Valor Gala**, scheduled for **Thursday, September 25, 2025**, in downtown Atlanta. This signature event not only celebrates the resilience of survivors but also uplifts medical professionals and civic leaders whose dedication is transforming lives. It is a testament to your vision and leadership that this Gala has become a beacon of recognition and hope for so many.

It is also noteworthy that **State Representative Kim Schofield** proclaimed **September 24th as “Alopecian Beauty Co. Day” in Georgia**, a reflection of the impact and credibility your organization has established statewide. This recognition speaks volumes about the strength of your mission and the community you have built.

As a Councilwoman for the City of South Fulton, I am proud to support efforts that advance health awareness, advocacy, and access. Your mission directly aligns with our city’s ongoing commitment to wellness, empowerment, and inclusion for all residents.

I am confident that our continued partnership will help bridge gaps and expand resources for those who need them most, and I look forward to building stronger collaborative efforts with Alopecian Beauty Co. in the years ahead. Thank you for your leadership and dedication. Please know you have a partner in District 2.

Sincerely,

Councilwoman Carmalitha Gumbs
