Greetings:

As the 61st Mayor of Atlanta, I am pleased to extend this letter of support to Alopecian Beauty Co. and to the organizers, partners, and guests of the *Golden Endeavors Charity Ball*.

Alopecian Beauty Co. stands at the intersection of health equity, youth empowerment, and scientific discovery by empowering families and creating pathways into life sciences and healthcare careers. Your work reflects Atlanta's role as a hub for medical innovation and community-based support, and it reinforces our shared commitment to improving health outcomes for residents across our city.

This year's Golden Endeavors Charity Ball highlights the expansion of youth-focused life science programs, medical research exposure, and workforce pathways that introduce Atlanta students to careers in healthcare, STEM, and innovation. By opening doors for young people to explore these fields, you are helping to cultivate the next generation of researchers, clinicians, and innovators who will shape the future of our city and our region.

On behalf of the City of Atlanta, thank you for the encouragement, resources, and opportunities you provide to our families and youth. I offer my sincere appreciation to Alopecian Beauty Co. and to everyone who has come together in support of this mission.

Sincerely,
