To whom it may concern;

We are honored to stand by and support the Alopecian Beauty Co Organization. We have built a phenomenal relationship within the company. They have supported many of our charitable events such as back to school fundraisers, minority women empowerment events, and community givebacks. This organization is truly a pillar to the community. I've personally been able to watch them grow over the years with charity events that help raise awareness in the communities about alopecia. Even starting a beauty line with various products to help those who suffer from alopecia. I will continue to work with them in the future.

Best Regards,
Sydney Blakely
