Subject: Letter of Support for Alopecian Beauty Co.

To Whom It May Concern,

On behalf of the Fulton County Board of Commissioners and residents of District 4, it is my sincere pleasure to express my support and appreciation to Alopecian Beauty Co. for their contributions made to the residents of Fulton County. The influential work done by Alopecian Beauty Co. greatly contributes to the health and wellness of the many Fulton County residents who are impacted by Cancer, Alopecia, and Lupus.

Alopecian Beauty Co.'s mission is to create smiles daily and improve the lives of Autoimmune hair loss disease sufferers by providing cranial prostheses, educating others on the conditions, and funding research to develop cures. The organization serves a great need for children, men, and women across the world.

I am confident that with continued support, Alopecian Beauty Co. will be able to continue to change the lives of those affected by Cancer, Alopecia, and Lupus through their implementation of advanced medical research, hair growth services, and innovative medical centers.

I encourage you to join me in supporting Alopecian Beauty Co.'s vision of bringing ingenuity, innovative medical centers and morale to everyone undergoing autoimmune disorders. If I can be of further assistance as you consider the great work of the Alopecian Beauty Co as they continue changing lives, please feel free to contact my office via email or phone at Natalie.hall@fultoncountyga.gov and (404) 612-8226.

Natalie Hall
Fulton County Commissioner, District 4
