

One Rate. Zero Hassle

JAXPAYZLI is the only true **One Flat Rate** payment processing program that customizes each rate specifically around the exact credit cards that your customers are paying with. From there we allow you to pay the rate yourself or pass the rate along with each transaction!

Why Jax Payzli

-  Eliminate junk fees with one transparent rate
-  Know exactly what merchant services cost each month
-  All accounts receive next day funding
-  Annual PCI Compliance service included at no cost
-  Free upgraded credit card terminal (up to \$500)
-  U.S. based customer service & technical support
-  Zero processing fees available by passing on the rate

Next Steps

- 1** Email your month-end statements for a custom Flat Rate calculation to: flatrate@jaxpayzli.com or submit online at www.jaxpayzli.com
- 2** Choose between a **Traditional** account, a **Cash Discount** account or a **Hybrid** account (where the rate is split between the merchant & the cardholder)
- 3** Receive your free terminal programmed and ready to go - simply plug it in and begin saving!
