Subject: Urgent Concern: Reject the Authoritarian Agenda of Project 2025

Dear [Representative/Senator] [Last Name],

I am writing to express my deep concern about *Project 2025*, a dangerous policy blueprint developed by the Heritage Foundation that threatens the fundamental principles of our democracy. This initiative outlines a plan to consolidate executive power, dismantle federal agencies, and roll back essential civil rights protections.

If implemented, *Project 2025* would:

- Undermine democratic checks and balances by placing independent agencies, including the Department of Justice, under direct presidential control.
- Purge the federal workforce by replacing tens of thousands of career public servants with partisan loyalists.
- Attack individual rights and freedoms by reversing LGBTQ+ protections, restricting reproductive rights, and embedding religious ideology into government.
- Dismantle public education and social programs, jeopardizing the well-being of millions of Americans.

This extremist agenda is a direct assault on democracy, and I urge you to take a strong stand against it. I am asking you to:

1. Publicly denounce Project 2025 and its anti-democratic proposals.

2. Support legislative efforts that protect the integrity of federal agencies and safeguard civil liberties.
3. Encourage transparency and accountability in government hiring practices to prevent political purges.
4. Commit to informing your constituents about the dangers of this agenda and its long-term impact.

As your constituent, I expect you to uphold the principles of democracy and protect the rights of all Americans. I urge you to take immediate action to counteract this alarming plan before it is too late. Please let me know where you stand on this issue.

Thank you for your time and service. I look forward to your response. Oh, and I want you to know **THAT SUSAN SENT ME!**

Sincerely,
