Subject: Oppose Medicaid Cuts – Protect Healthcare for Millions

Dear [Senator/Representative] [Last Name],

I am writing to urge you to oppose any efforts to cut Medicaid funding. As a [constituent/healthcare professional/someone who relies on Medicaid], I am deeply concerned about the proposed reductions that could jeopardize healthcare access for millions of Americans.

Medicaid provides essential healthcare to low-income families, seniors, children, and people with disabilities. Cutting its funding would force states to limit coverage, reduce benefits, or impose stricter eligibility requirements—leaving countless individuals without the care they need.

[Insert a brief personal story or reason for your concern. Example: “As a parent of a child with special needs, I rely on Medicaid to cover essential therapies that help my child thrive.”]

I urge you to reject any proposals that would weaken Medicaid and instead work toward policies that protect and strengthen healthcare access for all Americans. Please stand with your constituents and prioritize the health and well-being of our communities.

I would appreciate the opportunity to discuss this issue further and would welcome a response regarding your position. **And I want you to know—Susan sent me!**

Thank you for your time and commitment to serving our community.

Sincerely,

[Your Name]
