Get more
value from your
vehicle by leasing!

If you're looking for a new or used car or truck, whether for personal or business use, we can customize a lease that's right for you.

At Manchester Leasing Services, our mission is to lower the total cost of ownership for our customer's fleets. We assist in the frustrating processes of vehicle funding, acquisition and disposal. Additionally, we have programs to help lower maintenance and fuel spend, allowing the savings to flow to the bottom line.

Greetings!

Most fleets are a costly, support-intensive piece of an organization's business operations. Manchester Leasing Services strives to be a true extension of your team. We believe this partnership separates us from the others.

Manchester Leasing Services will advocate to add value, provide trusted consulting, offer prompt and helpful customer service, and deliver technology designed to improve overall fleet efficiency. We will make decisions with your best interest in mind, and continuously evaluate your situation to ensure you have the right vehicles for your fleet.

How does Manchester Leasing Services provide value? It goes far beyond the vehicle cost. Depreciation, fuel economy, maintenance and repair, and even replacement tires are all factors considered when selecting a vehicle and its life cycle. In addition, our managed maintenance and fuel programs help you gain real-time control over the operating costs.

Are you ready for a true partner to streamline your fleet processes? Give Manchester Leasing Services a call today at [515-446-7333](tel:515-446-7333)!

Sincerely,

Ben Carfrae, CVLE
President
