

Life and love,
When separated
Enjoin each other

Tearing
Anew
And apart

As twins
Kinetically
Bonded

Genetically
And
Organically
Coupled

Mystically
And
Spiritually
One

Life and love,

When over
Lays
In peace

On a bed
Of one's
Making

Immune
To impurity
Indemnified
With impunity

Life having
Selfishly
Promoted love
For itself

Love having
Selflessly
Protected life
From itself

Life and love,

Privately
Nurtured
Relished

Publicly
Shared
Exploited

Obvious
From afar
Oblivious
From afoot

A perpetual
Paradox
Of perplexing
Proportion

Life and love,

As
Syntaxes
Collide

Engender
Hope and
Purpose

Birthing
An
Era

Life and love,

Instinctual,
Tragically
Helpless

Deliberate,
Secretly
Plagued

Spontaneous,
Chaotically
Blessed

Life and love,

By passions
Fused
Ambitiously saturated

By passion
Inflamed
Conspicuously isolated

Life and love,

When one
Brings you
Down

The other
Lifts you
Up

And
Vice
Versa

Life and love,

Exclusive,
Both to,
And from,
Each other

One urges
The other
That purges
The first

Life and love,

Forsaken
When needed
Most

Imposed
When wanted
Least

Life and love,

Stews to a
Bubble
Brews to a
Boil

Reducing
Heart into
Soul

A bowl
Served
Generously

Beside
Savored
Flavors

A spice
Sprinkled
Casually

A flask
Sipped
Knowingly

Life and love,

Each grows
Fueled by
Mistakes

Whose
Challenges
Earn

Happiness
Hindered by
Change

Life and love,

Theatre
Staged
In art

Set in
An eternity
Of first-takes
And endless
Second-chances

Until
Death
Do
Us
Part

Cast in
Dramatic
Intrigue

Billed as
Romantic
Comedy

Dressed for
Action
Adventure

Scripted
To fake
Perfection

Performed
To conquer
Flaws

Life and love,

Works
When
Independent,
All-nourishing

Hobbles
When
Interdependent,
All-consuming

Yet incestuously
Each mirrors
Opposing
Reflections

As
Love to love
Or
Life to life

Independent apart
And
Interdependent together

Life and love,

Where
What
Is

When push
Comes
To shove

Always
Trumps
Intent

Harshly

Without
Hesitation
Notice
Excuse

Breathtaking

Life and love,

Each
A weight
Clutching
The other

Options
Entwined
Exercised
Inseparably

Hearts
Ticking off
Time

While
Beating for
Space

Life's fortitude
Seeking love
To thrive

Love's insight
Seeking life
To endure

Life and love,

Targeted by
Misery
And fear
Hovering
An abyss
From hell

Dust
The sky
Above heaven
On earth
With confidence
And joy
Deserved

Life and love,

Appreciated
By plight
Or delight

Across
All
(wo)manhood

Whether
Life
Separates
Loves

Or
Love
Separates
Lives

For battle
For trade
For better
For worse

Life and love

Life,
As beautiful
As love
Finds it

Love,
As beautiful
As life
Makes it
