Policy #2: Travel Trailers, Campers, Boats, and Recreational Vehicles

Reference:

A. Declaration of Covenants, Conditions, and Restrictions

11. Travel Trailers, Campers, Boats, and Recreational Vehicles. Travel trailers, campers, boats and recreational vehicles (RVs) shall not be used as a residence on any lot at any time, either permanently or temporarily. In addition all travel trailers, campers, boats, trailers of any kind and recreational vehicles, must be kept indoors at all times and are not permitted to be kept, parked or permitted, to remain on any lot outside the dwelling or garage.

HOA Policy:

In order to clarify the above provision of the Declaration, the following policy has been adopted: Travel trailers, campers, boats and recreational vehicles (RVs) are allowed in the driveway for six (6) hours or less, before and after a trip.
