# Custom T-Shirt Patterns Designed Your Way

## Why Settle for Plain T-Shirts?

Plain t-shirts are common, but now you have the option to customize them with unique patterns and styles. We offer a wide range of custom patterns to match your brand or team vibe. Don't stick to plain—choose from creative designs and make your t-shirts stand out!

Please note: Custom pattern designs carry an additional charge of ₹20 to ₹40 per t-shirt, depending on the design complexity.

# Custom Collars & Cuffs – Made Your Way

Choose the style you like – with or without tipping (border lines). You can even get your company name knitted on the collar. Add a special touch by selecting collars and cuffs in contrast colors to the t-shirt for a stylish and unique look. No extra charges – it's completely complimentary!

# All-Over Print Corporate T-Shirts

All-over print corporate t-shirts offer complete coverage for your brand design, front to back. Ideal for events, promotions, and staff uniforms—this style helps your team stand out with a bold, unified identity. A great way to maximize visibility and create a lasting impression.
