

Making Your Nation Great

TRANSITIONING FOR THE FUTURE

The Great Awakening

- America Standing Together created in 2001 (now World Standing Together)
- Created as part of a Constitutional Trust that was established in 1996.
- ➤ We operate in Constitutional Law (Law of the Land) for over 20 years.
- As we move into the New World everything is expected to move into Law of the Land (Constitutional Law)

The Great Awakening

- ➤ We are positioned for the future and have over 20 years experience.
- ➤ We provide funding to support local projects utilizing our models to ensure success.
- ➤ Our charters are industry, project and city specific, leveraging the strengths of each group.
- Become part of the solution, NOW is the time.
- > Be part of the great awakening people are in charge not Government

Focus Areas

- ➤ Key focus points of Your Nation Standing Together:
- Grass Roots Program city by city, industry or project
- Allows the City and Business leaders to activate plans already in place
- Can eradicate unemployment city by city
- >Addresses Veterans needs and other social programs
- > Fresh Start Program creates new business quality in craftsmanship
- ➤ HUD/low-cost housing is managed at local level clean up city blocks
- Capital is made available at the grass roots level
- ➤ Technology transfer from worldwide sources

General Partnerships

- ➤ Key focus points of America Standing Together:
- Grass Roots Program city by city
- Understanding the guideline structure:
- ➤ AST establishes a trust series for each chapter, places fiduciary responsibilities at the management level as trustee(s); than
 - ➤ LLC, LLP, Corporation and 501(c)3 in some cases we expect constitutional law in all areas long term
 - City Level Organization Sample:
 - Bank
 - CPA Firm
 - Law Firm
 - Engineering Firm
 - Real Estate
 - General Contractor

Basically, you have a senior management team

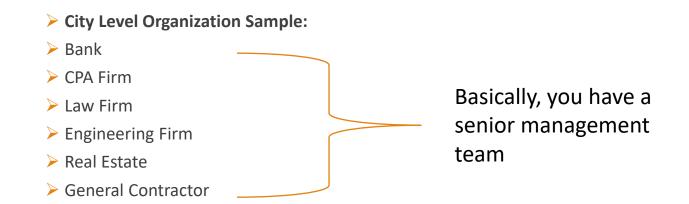

Grass Roots Organizational Structure

- Goal is to have these companies work as a senior management team and gain the synergy to review, approve, fund and manage any project needed to be done.
- Each group has 6% ownership of the LLP, (36%)

Limited Partnership

- City Level Organization Sample:
- Other Banks, Credit Unions, Investment Groups
- Stockbrokers, Accountants, other CPAs
- Other Law Firms, attorneys, farmers, industry etc...
- Other Engineering Firms, software, hardware
- Other Real Estate, Commercial, RIETs
- Carpenters, Electricians, Plumbers, etc...

Limited Partners a mixed of players as needed

- ➤ Goal is to have these companies work provide a second layer on trades etc.. SO to projects can by implemented
- ▶ 15 Limited Partners each group has 3% ownership of the LLP, (45%)

Region – State - National

- >15 Limited Partners each group has 3% ownership of the LLP, (45%)
- ➤ 6 General Partners (36%)
- ➤ Regional AST Manager (3%)
- ➤ State AST Organization (5%)
- National Organization (11%) (5% goes back to affiliates other state support programs)
- Affiliates are all other people, stores, business, churches etc.. Pay a one time or annual membership to show their support.

81% stays at the City Level 89% stays at the State Level

(Can be funded 15% down, 85% promissory Notes at city level)

City Capitalization

Simple Example:

6 Partners put up \$100,000 \$600,000

15 Limited put up \$50,000 \$750,000

Capitalization \$1,350,000

AST National provides credit lines for 30 times capitalization:

\$40,500,000 at 2% loans or participation

Also work with City to assist in municipal bonds for additional funding

This empowers each Nation to rebuild their own cities

Implementation

- ➤ Big job Target to have 50,990 charters Worldwide
 - ➤ 1st Year expect to generate over \$1 Trillion
 - >1.2T in capital for projects
 - ➤ Each charter expected to created over 800,000 jobs direct and indirect within 5 years.
 - Rebuild your city, state and industry for the future
 - Over 5000 new technologies to be release worldwide
 - Create new exciting small business through our Micro Banking

Problems

- Local buy in and wanting to participate
- Corruption miss use of funds pay offs etc..
- Concerns about competitive edge / anti-trust laws
- ➤ Political issues surrounding too much control by one groups etc..
- > Implementation problems
- >Systems Problems
- ➤ Sabotage
- Management by exception
