My signature below represents my acceptance to become an active member of A.M.E. (Texas Ministers and Entrepreneurs Association) and to support and abide by the leadership and guidelines of this association created to unite ministers, professionals, entrepreneurs, investors, and business owners. My membership is effective after submitting this form with my signature and receiving approval notice from the Texas Association of Minsiters and Entrepreneurs. Our vision is to see the church stand strong, speak wisdom, and lead with order, discernment and authority while influencing our communities entirely and keeping those in positions of leadership or government completely responsible.

Membership can be ended by me with a formal written notice or it can be ended by the president of the association as well at any time. I understand that The Texas Association of Ministers and Entrepreneurs operates as part of Rios De Aceite a nonprofit, ministry and charitable corporation registered in the State of Texas as a 501c3. It is therefore subject to the bylaws and articles of Rios De Aceite.
