

PERFORMANCE SNAPSHOT

NOVEMBER 2024

STUDENT ENGAGEMENT

Year-to-date (YTD) data on student engagement and interactions.

UNIQUE STUDENTS SERVED

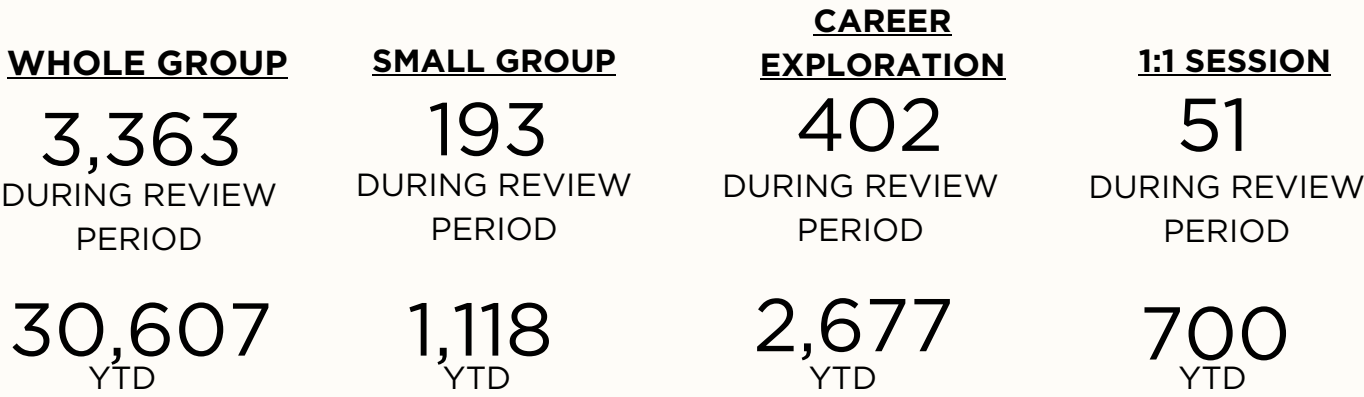

4,116
UNIQUE STUDENTS
(MONTHLY)

The number of distinct students who completed the survey during the month.

38,397
UNIQUE STUDENTS
(YEARLY)

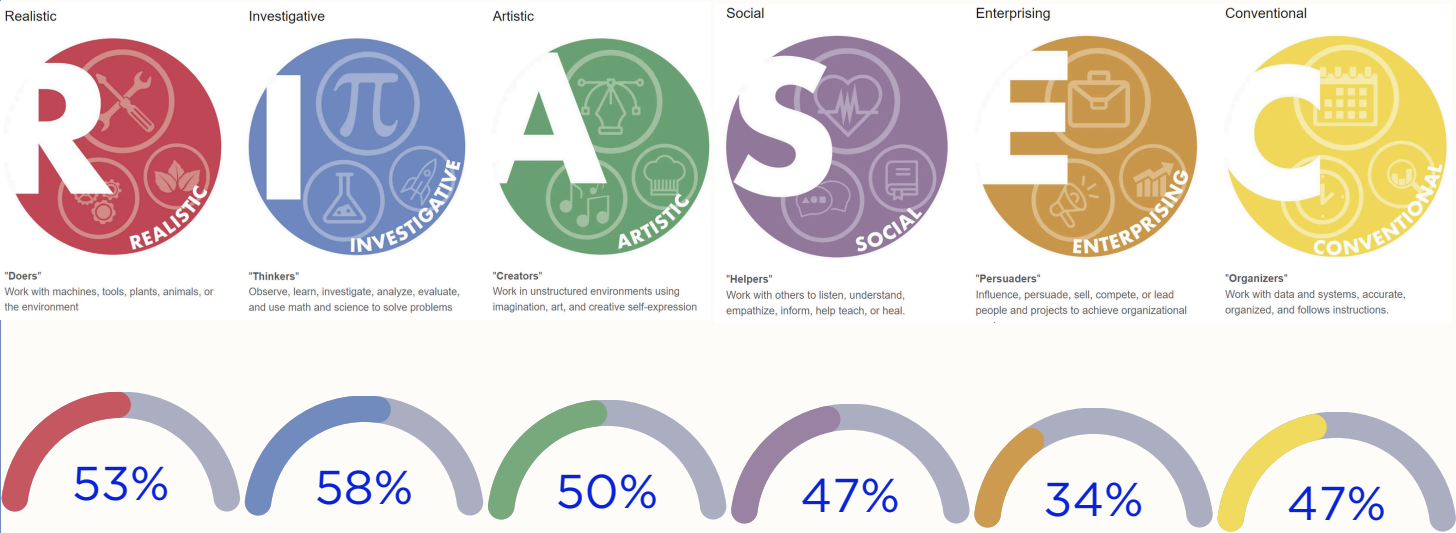

The total number of distinct students who completed the survey at least once during the year.

STUDENTS BY SESSION

Represents the count of students by session type: Initial Visit, Whole Group (10+ students), Small Group (<10 students), 1:1 Session, & Career Exploration.

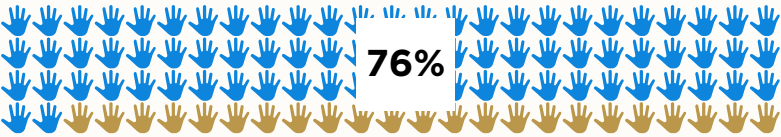

RIASEC RESULTS

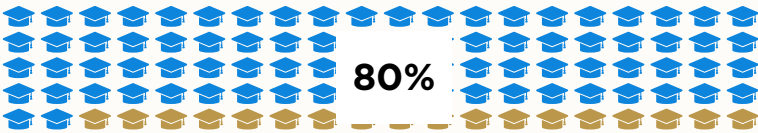

The RIASEC data points represent the percentage of youth who identify with each of the six career interest themes. These percentages help us understand the dominant career interests among MoCo Cap Students.

OUR IMPACT

Students rated the session 4.3 out of 5 stars for helping them understand their next career steps.

Students who believe they will likely work in their identified careers.

Overall Student Satisfaction Rating

4.8 OF 5
