

They LOVED the chilled Spicebush Tea!

JUNE 6-9

2018 Native Plants in the Landscape Conference at Millersville

Public

Hosted by Native Plants In the Landscape Conference and Bowman's Hill Wildflower Preserve

Workshop Wild Edible Plants of Pennsylvania presented by Debbie Naha

\$30 per person (limit 25). Wild plant expert, nutritionist, and forager Debbie Naha will discuss wild edible plants of Pennsylvania. Program will cover species identification, look-alike plants, sustainable harvesting, and how to safely prepare the wild harvest. Slideshow talk will be followed by an outdoor plant ID walk. Attendees may also taste a "wild" recipe. Discover the feast in your own backyard! *(Approved for 1.5 LACES credits, 1.5 PCH credits, 1.5 APLD credits)*
