# Commodores Message

Randy Carie

Hello Sailors,

Summer is upon us and LSC activities are in full swing. Racing, cruising, and social events are already under way and there is still more to come. Follow the Club Calendar of Events so you don't miss out.

Congratulations to all of the Racers for giving a good show on the water. Your skill, boats, and sportsmanship are exceptional. "Nothin' but Fun!"

Congratulations to the Cruisers for their participation in the Winter and Spring Cruises. Maybe, just maybe, the weather conditions weren't quite perfect, but as we say in the LSC, "Nothin' but Fun!"

Congratulations to Michael Nolan, Sailing School Coordinator, for doing a fantastic job with the Sailing School. Donna Keller, Social Event Coordinators, has thus far organized the "Open House" and Past Commodore's Cocktail Party at the LSC. All of their efforts are greatly appreciated.

I'd like to remind everybody about the LSC Moonlight Picnics. The picnics are a great social event for LSC members, whether one elects to sail or not. Future Moonlight Picnics are July 15, August 19, and September 16. "Nothin' but Fun!"

**Save the Date:** Sunday, August 7<sup>th</sup> 5:30pm, for the Board of Governors Picnic. The picnic is open to all Club members. This year the Club will provide beverages and Pulled Pork BBQ and beverages. Members should bring a covered dish to share, tableware, and lawn chairs. "Nothin' but Fun!"

Hey Members, talk to Mike Nolan about the LSC group messaging list; GroupMe, a messaging platform for LSC members. This is a way to be informed via a text, if others are participating in events for the day. And, be sure to check out the LSC Website, [www.lafayettesailingclub.com](http://www.lafayettesailingclub.com), progress is coming along nicely. Thanks Deac.

Have you ever thought about going to the lake and sailing during a weekday? Consider sailing on Wednesday. New this year is the *LSC Wednesday Navy*. The idea of the *LSC Wednesday Navy* came to me while I was sailing on Lake Carlyle Illinois last March. The West Access Yacht Club has recognized its Wednesday sailors as the Wednesday Navy and I thought we could do it too. So, if a LSC Sailor can sail on Lake Freeman for at least 10 Wednesdays in a year, then they will become part of the *LSC Wednesday Navy*. Please keep track of your sailing time and inform any BOG member of your achievement. You'll be rewarded and recognized at the Fall Banquet. "Nothin' but Fun!"

Happy Sailing

## Lots of events coming up this summer!

We have Moonlight Picnics and Sails in July and August.....bring something to eat and then go sailing after the sun goes down.

The cruisers head up to Michigan (Mackinac Island) in July. They also participate in a small mini-cruise on Lake Freeman in early August.

We have a lot of races still to com-

plete. They start at 12 noon on Saturday, and 1pm on Sundays.

And there is one more regatta scheduled for the weekend of August 6-7, culminating in the Board of Governors picnic held right after the Sunday races are complete!

Lots of activities to participate in. See you at the lake!

# Race Results and Current Standings

(as of July 9, 2016)

The halfway point of the summer racing series has been reached! Races will still be held most weekend into the fall. Everyone is invited!

Racers earn points towards the club championship in every race depending on how many boats they place in front of. For example, if seven boats race, the fastest boat earns 7 points, the next one gets 6, and so forth with the last place boat still earning 1 point.

Due to the large number of boats and races during regattas, the maximum number of points that can be earned in a regatta race that can be applied towards a sailors overall series score is 6.

The current race standings are shown below.

## Club Boats and Committee Boat update

### Club Boats

LSC has three club boats for use by members. We own a Sunfish, Laser and a Capri. The sails, rudders, and sign out book are located in the shed.

The boats are open for use by all club members. All we ask is that:

You sign in/out the boat when you use it. That way we can track how much use the boats are getting.

If you have not sailed the boat you'd like to check out, you work with a BOG or other club member to insure that you know how to rig, launch, right, and retrieve the boat.

This process will help keep the club boats in better shape for a long time. Many clubs don't have general use club boats, we are lucky to have three, so feel free to use them!

### Committee Boat

A new (used) committee boat was purchased this year to replace our aging boat. There are a couple of minor items still to be addressed, but it looks like the boat will provide us with years of service.

Thanks to everyone who has worked to get it ready for the summer on such short notice!

### LSC has teamed Up with BoatU.S.!

BoatU.S. provides a vast range of services, information and savings to recreational boaters, including:

- Members-only discounts and Member Rewards with West Marine equipment purchases
- Discounts on fuel, overnight slips, and repairs at more than 900 marinas nationwide
- BoatU.S. will pay up to \$50 per incident On-The-Water Towing with your basic membership
- Access to high-value, low-cost group-rate boat insurance
- Full year subscription to the award-winning BoatU.S. Magazine

Now you can get 50% off of annual Membership dues when you join the nation's largest association of recreational boat owners. You pay one-half of the regular BoatU.S. dues of \$30 – that's just \$15.00 a year! For more information, go to <http://www.boatus.com/> and be sure to mention our Cooperating Group ID number GA84516S to get the specially reduced rate.

## LSC 2106 Winter Cruise

“Nothin’ but Fun!” by Randy Carie

Our adventure started Thursday, March 17th, early in the morning. We had a 4-hour drive ahead of us, and the boats were to be in the water by noon Illinois time. Lewis Wallace and his O’day 23 got a little head start on me. I would be pulling a Catalina 22. Our destination was Lake Carlyle Illinois. We would be mooring at the West

Access Marina, Carlyle Illinois. It’s an easy drive.

We’ve done it before. I got some sailing in that day. The boat handled great, with a reefed main. The weather was OK for March. I was the only one on the lake. Lewie had business to attend to in St. Louis. He missed out on a good day for sailing.

The following day, Friday, the weather was just a little worse than OK for March. Winds were at 20 with gusts, white caps on the water, temps in the 40s, but we sailed. The mains were reefed and the jibs were on deck. Both boats sailed nicely. It was a good day.

Lewis Wallace sailing on Friday.

We had dinner out both Thursday and Friday evening. Both evenings were all you could eat chicken and fish, “pretty good stuff. ”

Saturday sailing was a lot like Friday sailing but it did seem colder. Four layers of clothing was just enough to keep me warm, but we sailed. After sailing for the day both Lewie and myself met up with the Carlyle Yacht Club for a carry in dinner in their Club House. They were celebrating the Spring Equinox, with a Burn your Socks social event.

Rain was in the forecast for Sunday, so we broke the boats down early and headed for home, with memories of “Nothin but Fun!”

## Past Commodores Cocktail Party and News

The past Commodores cocktail party was held on Sunday, June 12 at the conclusion of our first regatta. Regatta winners/participants were recognized and a good time was had by all.

We'd like to recognize all our past Commodores and thank them for the work they have done.....
