-if scheduled on Sunday, races start (ready to go) at 1pm, no rain date

### **Fun Race and Eat**

-an informal event that might include a race or two (down to the dam and back) followed by getting something to eat and drink afterwards. These races are untimed and unofficial and do not count towards the club championship. We will try to have one once per month. No official rain dates scheduled.

### **Cruises**

-can be attended by those with and without larger cruising boats. A separate email chain will be created to keep interested cruisers informed about the specifics.

### **Sailing School(s)**

-open to anyone in the community. They are free and there is no obligation to join the club. There will be two identical sessions; one in May and one in June. Each session is composed of two classroom meetings. Weather permitting an “on-the-water” experience is scheduled for “graduates” on Saturday, June 27<sup>th</sup>. A new “school” for beginning cruisers and those interested will be offered on May 4<sup>th</sup> followed by a short spring cruise on Lake Monroe.
