CENTRAL BROWARD WATER CONTROL DISTRICT SUBDIVIDER'S COMPLETION AGREEMENT

KNOW ALL MEN BY THESE PRESENTS:

That <u>Lennar Homes_LLC</u>, hereinafter called "Principal", whether one or more is held and firmly bound unto the CENTRAL BROWARD WATER CONTROL DISTRICT, a political subdivision of the State of Florida, hereinafter called the "District", for the use of said District in connection with improvements described in Exhibit "A", attached hereto and incorporated herein in its entirety, (which improvements may consist of, but are not necessarily limited to paving, curb and gutter grading, excavation, embankment, drainage culverts, and appurtenances, or other similar improvements, whether specifically mentioned herein or not, and whether or not particularly described by any attached documents) in the sum of <u>Four Million, Five Hundred Seventy Nine Thousand Four Hundred Sixty Two and 80/100 in United States Funds (4,579,462.80).</u> lawful money of the United States of America. Said sum being one hundred ten per cent (110%) of the estimated construction cost of the improvements described in Exhibit "A" and which shall be prepared by a registered professional engineer in the State of Florida. Said estimate being part of Exhibit "A", to be paid unto said District, its successors and assigns, to which payment well and truly to be made we bind ourselves, our heirs, personal representatives, successors and assigns, jointly and severally, firmly by these presents.

WHEREAS, FIDELITY GUARANTY AND ACCEPTANCE CORP. a corporation duly authorized to issue Letters of Credit within the State of Florida, hereinafter called "Bank" has issued Letter of Credit No.FGAC-19504 in the amount of \$ 4,579,462.80 dated 10/07/2019 on behalf of Principal, hereinafter called "Letter of Credit".

Exhibit L-1 July 2009

Page 1 of 4

NOW, THEREFORE, the condition of this obligation is such that if the Principal shall in all respects fully comply with, carry out, construct, erect and build the improvements referred to in Exhibit "A" hereof, in accordance with the aforesaid regulations of the District, the plans, specifications and schedules covering said work, and such improved additions, amendments or alterations as may be made in the plans, specifications and schedules for said work (it being understood that the Principal shall remain bound under this Agreement although not informed of any such additions, amendments or alterations), and shall complete all of said work on or before December 2020, and shall pay all costs as incurred and billed by the District in connection with the investigation, approval, and inspection of the improvements referred to in Exhibit "A" hereof; then the Principal of this Agreement shall promptly repair or replace any of said improvements to the original condition required by said District or any ordinances and regulations thereof, as amended, should the same because of defective material, engineering and/or faulty workmanship, require such repair or replacement within twelve (12) months after final inspection and approval of said improvements by the District, then this obligation shall be void, otherwise remaining in full force and effect. And the Principal on this Agreement, for value received, hereby stipulates and agrees that no changes, extensions of time, alterations or additions to the work or to the plans. specifications and schedules covering the same, or in the term or mode of payment for the same shall in any way affect the liability of payment under this Agreement, and it does hereby waive notice of any and all changes, extensions of time, alterations and additions to the work or to the plans, specifications and schedules covering said work.

This Agreement shall be for the use and benefit of the District if it shall elect to proceed with said work upon the failure or refusal of the Principal to do so by the date hereinabove specified, or any subsequent extension date agreed to by the Principal and the District, or in the event the Principal for any reason fails to complete the improvements described in Exhibit "A" to this Agreement and may be enforced by the District in the manner authorized by law.

The Bank further agrees to notify the District a minimum of thirty (30) days prior to cancellation or termination of the Letter of Credit. The Principal further agrees to notify the District of any change in ownership of all or part of the property described in Exhibit "B" to this Agreement.

That the District will have the right and authority to enter upon and cross over the property described in Exhibit "B" hereto for the purpose of inspecting these improvements, and in the event that the District determines that the improvements are not being timely completed by the Principal, notice will be given by the District to the Principal and the Principal will be given a period of fifteen (15) days from and after the mailing of such notice within which to commence construction of the improvements or obtain from the District, in writing, an extension, for good cause shown, of the time within which the improvements will be completed, failing which the District may at its option complete the improvements described in Exhibit "A" for and on behalf of the Principal.

That in the event the District is required to complete the improvements described in Exhibit "A" on behalf of the Principal, then and in such event, the District shall be deemed to have a lien against the property described in Exhibit "B" which lien shall be inferior only to any existing first mortgage then encumbering said property, ad valorem taxes and such other liens, impositions and assessments as may be given priority by applicable statutes, and said liens shall be for all such costs incurred by the District together with interest thereon computed at ten per cent (10%) per annum. In the further event that the District is required to foreclose this lien, then and in such event, the District will be entitled to payment of any costs or attorney's fees incurred in connection with such foreclosure or collection proceedings, whether suit be brought or not; and the Principal and Bank, jointly and severally, shall be liable for same.

Exhibit L-1 July 2009

Page 2 of 4

Should the Principal subdivide the property described in Exhibit "B" hereto, the Principal's obligations under this Agreement to complete the improvements in Exhibit "A" shall devolve upon the individual purchasers of the subdivided parcels, their heirs, successors and assigns, and shall be a covenant to run with the land. Regardless of whether or not the Principal subdivides the property described in Exhibit "B" hereto, their obligation to complete the improvements described in Exhibit "A" hereto shall be binding upon its heirs, successors and assigns, regardless of how their heirs, successors or assigns came into ownership and shall be a covenant running with the land. If construction of the improvements described in Exhibit "A" attached hereto is not substantially commenced within one (1) year from the date of this Agreement, the Principal shall submit, prior to this one (1) year period, revised cost estimates to the District for review. Following this review, if the District so requires, the Principal shall submit a revised Subdivider's Letter of Credit based on the revised cost estimate. If the Principal fails to comply with this paragraph, this Agreement shall be null and void and of no further force and effect and all previous approvals of the District shall be cancelled effective one (1) year from the date of the Letter of Credit.

This agreement shall be governed by the laws of the State of Florida.

This agreement shall be placed upon the public records of Broward County, Florida, the Principal to bear the cost.

IN WITNESS WHEREOF, the Principal and Bank have caused these presents to be duly executed on this day of November, 2019.
