

## **Lords Prayer**

Our Father; Who art in heaven, hallowed be Thy name; Thy Kingdom come, Thy will be done on earth as it is in heaven. Give us this day our daily bread, and forgive us our trespasses, as we forgive those who trespass against us; and lead us not into temptation, but deliver us from all evil. Amen

## **Lords Prayer**

Translation by G.J.R. Ouseley from The Gospel of the Holy Twelve

Our Father-Mother Who art above and within:  
Hallowed be Thy Name in twofold Trinity.  
In Wisdom, Love and Equity Thy Kingdom come to all.  
Thy will be done, As in Heaven so in Earth.  
Give us day by day to partake of Thy holy Bread, and the fruit of the living Vine.  
As Thou dost forgive us our trespasses, so may we forgive others who trespass against us.  
Show upon us Thy goodness, that to others we may show the same.  
In the hour of temptation, deliver us from evil.  
Amen

## **Lords Prayer**

Translation by Neil Douglas-Klotz in Prayers of the Cosmos

O Birther! Father- Mother of the Cosmos  
Focus your light within us - make it useful.  
Create your reign of unity now-  
through our fiery hearts and willing hands  
Help us love beyond our ideals  
and sprout acts of compassion for all creatures.  
Animate the earth within us: we then  
feel the Wisdom underneath supporting all.  
Untangle the knots within  
so that we can mend our hearts' simple ties to each other.  
Don't let surface things delude us,  
But free us from what holds us back from our true purpose.  
Out of you, the astonishing fire,  
Returning light and sound to the cosmos.  
Amen

## **Nazarene transliteration of the Lord's Prayer**

Oh Thou, from whom the breath of life comes, who fills all realms of sound, light and vibration.

May Your light be experienced in my utmost holiest.

Your Heavenly Domain approaches.

Let Your will come true - in the universe (all that vibrates) just as on earth (that is material and dense).

Give us wisdom (understanding, assistance) for our daily need, detach the fetters of faults that bind us, (karma) like we let go the guilt of others.

Let us not be lost in superficial things (materialism, common temptations), but let us be freed from that what keeps us from our true purpose.

From You comes the all-working will, the lively strength to act, the song that beautifies all and renews itself from age to age.

Sealed in trust, faith and truth.

(I confirm with my entire being)

## ***A Clean Mind and a Clean Heart***

-Victor Barron

Luminous ideas of grand brilliance are found in a clean mind!

And in this heart, feelings of beauty!

If the mind is clean, its vibrations will attract positive virtues.

The cradle of love is found in your heart. Generosity and forgiveness are born. From here comes the perfume, which is converted into tenderness and gentleness for all humanity.

A heart that has love is clean and perfect with divinity.

Words were born from such a heart that pronounced such virtues of love. These words are "love yourself and others, forgive yourself and others."

Try to comprehend and when you have understood this truth imitate it so that you may find perfection. It is not a sin to imitate the good; it is a spiritual virtue to reach perfection.

Within the silence of your heart, meditate so that you can value the treasure that has been given to you by God!

Our world would be so marvelous if all the people of the earth would heal and clean their mind.

May God's love and peace be with you.

Amen

## **Law of Attraction**

-Victor Barron

The Law of Attraction is forever in action  
If you see thoughts in your mind - thoughts become things  
Do not focus on things you do not have  
Feel everything you want  
You attract what you think in your thoughts  
Your thoughts are magnetic  
If you feel bad - You attract bad  
If you feel good - You attract good  
Do not allow anything to change your good mood  
Every bad thought can be forgiven  
The more "good" you think and feel - the more "good" you attract

ASK ..... AND THE UNIVERSE RESPONDS!  
BELIEVE ..... IT IS ALREADY YOURS!  
RECEIVE ..... FEEL IT NOW!

THE UNIVERSE LIKES SPEED!!

## **Great Spirit**

-Victor Barron

O Great Spirit whose voice I hear in my heart.

I need your strength and wisdom.

Great Spirit, never allow for one instant your infinite sight to leave me.

I seek strength not to overcome my brother or sister, but myself.

I ask for wisdom, that I may accept and understand who I am.

O Great Spirit, never allow my heart to be closed to my brother or sister, but to give love, respect, bring honor to myself and all that has been created for me.

When you speak my name, O Great Spirit, I will stand tall and my hands will be clean.  
My spirit will come to you without shame.

For You are the way, the truth and the everlasting light.

Amen
