Specification sheet

Specification

Poultry Netting 150-ft. x 24", 36", 48", 60", 72" wide

Product details

Ideal for poultry and pet pens

Can be used as pest-resistant garden barriers

Provides predator-proof protection for domestic fowl and gardens

Hexagon mesh design is reinforced with supplemental horizontal

wires to keep netting straight and upright

20-gauge wire is galvanized before weaving to last longer,

resisting rust and corrosion

Reverse twist weave unrolls flat, ensuring easier handling

Mesh Spacing: 1"

Wire: 20 Gauge
