About Me

With over 25 years of experience in website design, graphic design, film/video, and communications experience, I have been responsible for the development and execution of branding, marketing, and internal/external communications for a myriad of clientele.

I use my eye for design and strong understanding of the user experience to create engaging and effective campaigns to optimize brand strategy, and distribute and maintain content across all platforms including Social Media, Websites, Print, Video Projects, and Marketing Materials for training sessions, events, and promotions.

I currently reside in Narragansett, RI.
