Non-Rated/Pinto Class Descriptions

PINTO Halter -

Horses/ponies walk into the ring, must be trotted past the judge to allow assessment of soundness and length of stride. Entries are to be judged on conformation, type, quality, and way of going. Blemishes, such as scars, splints, and spavins are to be marked down according to the effect on the soundness of the Pinto. Transmissible weakness and/or unsoundness are to be counted strongly against the horse. Pintos are to be shown in hand at a walk and jog or trot. Disqualifications: 1. Lameness; 2. Parrot/Monkey Mouth; 3. Cryptorchid; 4. Incorrect Pattern; 5. Setting Up-Inspection; 6. Loose Horse; 7. Disruptive Horse.

PINTO Color Classes -

Color classes are judged on the most ideal markings of the individual Pinto. Ideal markings are defined as a 50-50 distribution of white and color overall on the Pinto. It is not necessary for the markings to duplicate themselves on each side of the Pinto. Conformation is not considered, and the class should not be conducted like a conformation Halter class.

Tobiano Pattern – To be judged 100 percent on the most ideal markings of the individual Tobiano Pinto.

Overo Pattern – To be judged 100 percent on the most ideal markings of the individual Overo Pinto

PINTO Trail In-Hand -

Pony or Miniature to be shown in a halter with appropriate lead. Chain on the lead is permitted under the chin of the animal. Exhibitor must maneuver the Pinto using the lead shank of halter only. Pinto may not be touched by the exhibitor. Whips or crops are prohibited. Exhibitor may be requested to lead from either side. An exhibitor may show more than one (1) entry in this class. Tying up of long tails is permissible in this class. Baiting to encourage a Pinto to perform obstacles is not allowed and shall result in a disqualification. Trail entries are required to work over and through obstacles. Failure to attempt to negotiate obstacles in prescribed order will result in disqualification. Pintos are to be penalized but not disqualified for any unnecessary delay while approaching an obstacle. Judges are encouraged to advance on to the next obstacle any entry taking excessive time at an obstacle. A time limit may not be placed on the course as a whole or individual obstacles. Entries should demonstrate the control, flexibility, and calmness of the ideal Trail class Pinto. Pintos are to be judged on performance and way of going with emphasis on manners, suitability, and appointments.

PINTO Pleasure Driving -

Entries should give the appearance of being a pleasurable driving Pinto. To enter the ring at a normal trot. Boots or bandages are prohibited. To be shown at a flat-footed walk, a normal trot and a strong trot, both ways of the ring. To stand quietly and back readily. All gaits to be performed in a smooth, relaxed, balanced manner, consistent with conformation type of animal. Walk: Flat-footed, free, rhythmical four beat gait. Normal Trot: Balanced, free moving and relaxed two beat gait. Strong Trot: Balanced lengthening of stride with noticeable difference from normal trot, without excessive speed, loss of form, or two beat gait.

PINTO Obstacle Driving -

Pintos are required to work over and through obstacles. Pintos in the obstacle driving class must not be asked to jump over any obstacles, but may be asked to drive over flat obstacles. Obstacles should simulate conditions normally encountered on a pleasant afternoon drive. This is not a timed event, and the speed with which the course is completed should not be used in whole or in part to determine placing.

All Barrels -

Equipment shall be light harness with breast collar. Whips, overchecks or side checks, breeching or thimbles may be used at the option of the exhibitor. Any suitable two (2) or four (4) -wheeled vehicle may be used.

Hats or safety helmets are recommended, but are at the exhibitor's option. **All Youth Exhibitors MUST wear a helmet.**

Course - Three barrels shall be placed to form an isosceles triangle. Barrels shall be of the size of a fifty-five gallon drum and shall contain no sharp edges, either on the inside or the outside. Each shall be easily distinguished from the background. The Timing Line is imaginary and shall be indicated by cones. Timing of all entries shall be done by the Show Steward with a stop watch.

Course to be completed at a trot. The driver shall have two (2) options to complete the course: a) Cross the timing line, circle barrel one (1) clockwise, circle barrel two (2) counter-clockwise, circle barrel three (3) counter-clockwise and cross timing line. **OR** b) Cross the timing line, circle barrel two (2) counter-clockwise, circle barrel one (1) clockwise, circle barrel three (3) clockwise, and cross timing line.

Show Management shall designate the order in which the entries shall compete. Not more than one entry shall be in the ring at one time.

An exhibitor shall be considered "on course" once any part of the horse/pony crosses the starting line, and until every part of the horse/pony crosses the finish line after completing the course.

Penalties - 1. A five-second (5) penalty shall be assessed for each obstacle knocked down, The exhibitor must remain on course as if the obstacle were still standing; 2. Horses/ponies cantering or galloping more than three (3) strides between any two (2) points on the course will be penalized five (5) seconds for each occurrence.

Start and Finish – The gate will close once the horse is in the arena. The gate must remain closed and the horse/pony come to a halt or walk inside the arena before the gate is again opened. The exhibitor shall be signaled when the judge and timing officials are ready, shall cross the timing line and begin the course. Starting and finishing time shall be taken the instant any part of the entry crosses the timing line.

Ties to be broken with a runoff, or by flip of coin if agreed to by contestants.

Disqualifications – Any of the following infractions shall disqualify an entry:

1. Failure to begin course within one (1) minute after ready signal.
2. Any deviation from the pattern.
3. Entry being unruly or out of control.
4. Any kind of inhumane treatment whether or not specifically mentioned in this rule.
5. Excessive use of whip
6. Failure of entry to leave the ring immediately upon notification by the judge of disqualification
7. An exhibitor walking a horse/pony through the entire course in order to qualify for a placing position.

Breakage – If tack or equipment should break while negotiating the course, and the difficulty prevents completion of the course, the entry shall be disqualified. Should the entry be able to continue the course despite the difficulty and without cruelty, it may continue without penalty.
