

# Adoptive Parents' Group

## Session Details

**Group Members:** Parents of adopted children

**Dates:** Tuesdays beginning June 9th through July 14, 2026

**Time:** 5:00 PM

**Duration:** Approximately 75 minutes per session.

**Location:** Online through a secure telehealth platform

**Cost:** Free! While free, commitment to attend all sessions is expected

## Group Focus

This group will provide members with a safe and supportive environment to explore their feelings about adoption, parenting, and the intersection of adoption and parenting. This group also aims to provide parents of adopted children with an understanding of what their child may be experiencing as an adoptee and how we as parents can support them.
