hotel DESIGN CONCEPT

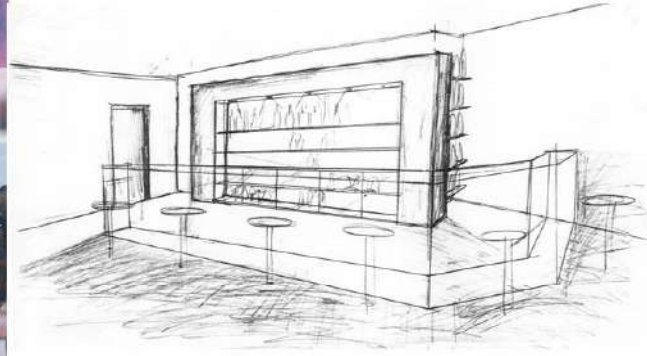

GRAND HOTEL ESPLANADE Berlin

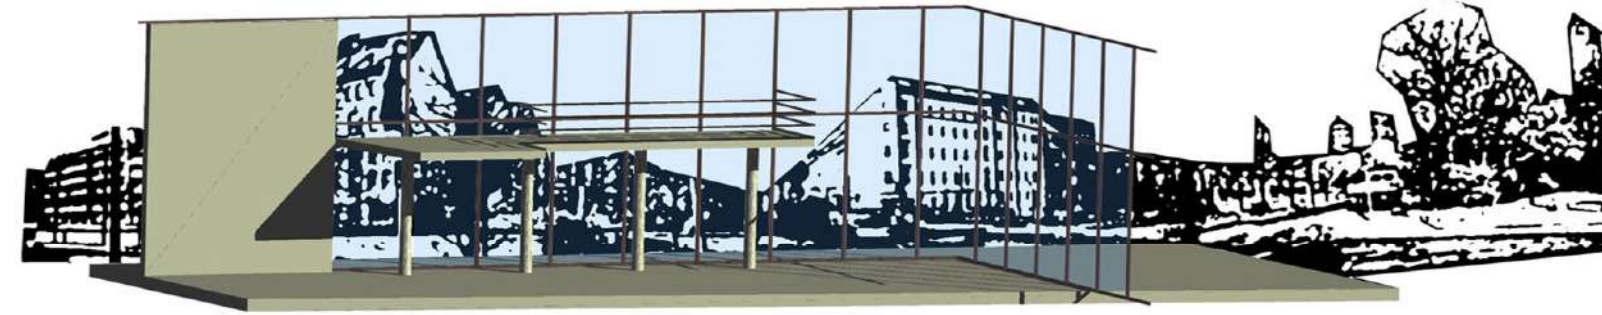

Cosy environment that refers to ceremonial activities, with horses like dressage. Offering a high level of service, peace and quiet as well as proximity to the nearby horse riding club and to the centre of the Metropolis. To be a space for relaxation and calmness. A retreat from the city inside the city. A space for association where body and soul act in a pleasant and relaxing tempo.

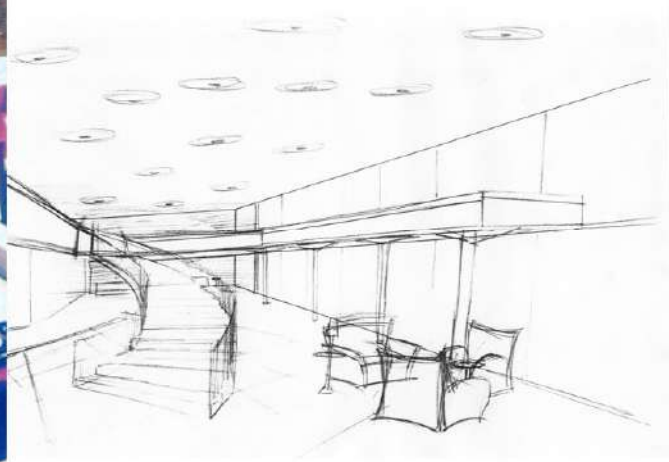

THE PARAMOUNT, New York, USA
