

# SCHOOL FUNDRAISING

## A FUNDRAISER THAT'S EASY FOR YOU AND EASY FOR FAMILIES!

### The Sweetest Fundraiser Around

Looking for a really cool way to support your school? A Michigan Cream & Sugar fundraiser is an easy, fun and fast way to raise money to fund educational programs, athletics, field trips or special projects. The entire program is online, making it super simple for schools, students and families. **No minimum orders. No money handling. No deliveries.** Just creamy, delicious, locally sourced ice cream – and sweet rewards for you.

### How it works

1. Send an email to [gm@michigancreamsugar.com](mailto:gm@michigancreamsugar.com) to receive your school's code and schedule your fundraiser. We'll send you a form letter and flyer (with a QR code directly to the online store) you can use to promote the program.
2. Distribute letters and flyers with school code, ordering timeframe and QR code to students and families.
3. For every order placed online during your fundraiser period, **15% goes to your school.** Checks will be mailed out 2-4 weeks after your fundraiser ends.

### Order/Pickup Timing
