## The Value of Membership in the League of Women Voters of Central Yavapai County

DO YOU WANT YOUR COMMUNITY TO BE FAIR, VIBRANT AND STRONG? Our members gain knowledge and experience through the study and discussion of timely and important topics.

Our members
make
professional
contacts and
develop lasting
friendships as
they meet others
in the League
who share their
interests.

Our members make a visible difference as community leaders using their experience to create positive, lasting change in our communities. Our volunteers work year-round to register new voters, host community forums and debates, and provide voters with election information.

Our members engage at the local and state levels on legislative priorities and efforts to improve our elections.
