ALPINE ACCOMMODATION

General Info

Laax is a snowboarding paradise .. literally! They have everything you want in a resort and more than you have ever imagined -hands down the best resort in Europe by far. This is a Luxury Snowboarding experience for all levels. Laax go all out when it comes to extreme sports; their focus incorporates every facility from beginners parks to the full-on Pro Line. This is a top hang-out for top pros from all around the world, known for its festivities and HYPE !

They have heated leather seats on chairs, everything is walking distance from our lodge including all the chairs. Within your lodge you have Beer pong nights at Indy bar, live music at Riders Hotel on weekends, several restaurants within a few minutes walk, only a 2 minute walk from the main gondola and tram and nightly dinners at Riders and so much more ... On down days they have full-on indoor skate parks, bowls and swimming pools or just head back to the bars . We have 3 High progressive coaches to run this camp. It's pick up from the airport and we will be with you the whole way. This is an epic travel experience. It's a very high progressive camp for park riding and Laax do get killer powder days so its not just park. They definitely have it all with miles and miles of exciting terrain for you to discover
