It is a short walk over snow-covered tracks to the commercial establishments and to free village buses that take you to the central summit. Groomed Crosscountry Ski Trails begin near the Lodge and stretch for kilometre's in either direction, whilst alpine skiers can ski down the Frosty Drop trail to meet the main ski runs and lifts.
- Walking directions - from the Alpine Way road, walk in past the Jack Frost centre. At the T intersection, turn left and walk about 30 metres, then turn right to enter Dargo Court. Austen Lodge is at the end of the court on your right (green two story lodge).

What you should bring

- You need to bring towels, pillowslips and bed sheets (doubles); we have pillows and doonas/duvets. There will be a \$10 surcharge for sheets/pillowslips if you do not bring your own as there is a very limited supply.
- Please bring your own food and drink. The lodge provides tea, coffee, sugar and condiments and has a large refrigerator as well as two industrial stoves and microwaves. We have an Aldi Expressi coffee machine and coffee costs 50c per cup. The General Store is open year round for meals, drinks and groceries (walking distance).

ALPINE ACCOMMODATION

Looking after the lodge:

- During the winter season, the lodge is cared for by a lodge manager. There is no duty roster for guests, however you are responsible for washing, drying and putting away your dishes and utensils and cleaning the stove tops after use. Please clean and vacuum your room on departure and ensure that noise at night is kept to a minimum. There is a wonderful open fireplace in the lounge room, and it is important that the fire is left in a safe condition and the screen guard is in place when the last guests go to bed.
