Falls Creek in the Green Season –

Falls Creek is a true year-round resort with businesses operating every month of the year. This includes accommodation, dining, supermarket, gym, visitor information and even post office services. Falls Creek is a community and most of the residents are here 12 months of the year. Head up this summer and let the locals show you some of the secrets of Falls Creek outside of winter. It is a hive of activity all year round! Whether you are into road cycling, mountain biking, bushwalking, dragon boat racing or simply relaxing and taking in the beautiful landscape, Falls Creek has something for everyone.

Activities and Events –

Falls Creek is all about having fun and provides a wide range of activities beyond skiing and snowboarding. Perhaps you would like to try snow biking, or take a scenic tour of the back country on snowmobiles. The whole family will love the snow tubing park and don't miss out on the snow grooming tours. A favorite amongst guests is the night show spectacular which includes snowmobiles, kassbohrers, snow bikes, snow fashion and a whole lot more. The fireworks at the end of each show are amazing and not to be missed.

Getting there-

- *DRIVE* – Falls Creek is the closest alpine resort to Albury, an easy day's drive from Sydney & four and a half hours drive from Melbourne. You can reach Falls Creek in a comfortable day of driving from most locations in Victoria and New South Wales. From Sydney or Melbourne, the best way is to travel along the Hume Highway and take the turnoffs at either Wangaratta (from Melbourne) or Albury (from Sydney).
- *PASSENGER BUSES* – There are several passenger bus services that operate from Melbourne; Falls Creek Coach Services and FallsBus. Both operate daily in peak season and prior booking is essential.
