## MOUNT HOTHAM SKI RESORT INFORMATION

### **About Mount Hotham Ski Resort-**

At the elevation of 1861 meters, Hotham is the highest resort in Victoria. It is unique in it is one of only a handful of resorts worldwide (and the only one in Australia) where the entire village is on top of the mountain. This means you get to not only ski but stay, dine and party way above the snowline, surrounded by magnificent vistas 24/7.

Furthermore, Hotham's location deep within the Great Dividing Range means that it has an average snowfall of 3 meters. The resort offers 320 hectares of diverse terrain from walk on beginner slopes to challenging double black runs, along with Hotham's high quality grooming program, modern lifting system, and excellent mountain village facilities, Hotham provides an exceptional winter holiday.

### **Top reasons for visiting Mount Hotham Alpine Resort-**

- Stay on top of the mountain! Hotham is the only entire ski village in Australia to be located on top of the mountain. Guaranteeing 24/7 incredible views.
- Considered the 'Powder Capital' of Australia with an average of 3 meters' snowfall each year.
- Dinner Plain Village is located just 10 kms away with loads more accommodation, pubs, cafes, restaurants, beginners slope and tubing park.
- Loads of winter activities! There are loads of non-ski activities including dog-sledding, snowshoeing, day spas and an Onsen in Dinner Plain Village (located 10kms from Hotham).
