

## F&I Training Workshops

***Business Manager 101:*** Business Manager 101 focuses on the typical duties, responsibilities and standard procedures required to maintain high levels of F&I efficiency.

***Legal and Ethical Standards:*** Legal and Ethical Standards is a course, which overviews the laws and regulations that directly affect a dealership's variable operations. Attendees who participate in the course have a better understanding of the laws that impact their day-to-day activities and are more prepared to act in a legally compliant manner. At the end of the course, attendees must pass a certification exam.

***Capitalize on the Opportunity:*** Capitalize on the Opportunity focuses on essential F&I principles and practices required to succeed in today's "social media" environment. Special emphasis is placed on monitoring and maximizing the opportunities with each type of deal whether done on the internet, over the phone or on-site.

***Presentation Prep:*** Presentation Prep focuses on three key areas that make for a streamlined F&I menu/option disclosure presentation. Product knowledge, customer knowledge and better knowledge of the deal at hand. Business managers will learn how confidence and establishing credibility with customers can be the game changer. Special emphasis is placed on group exercises and interactive role-play.

***Start Selling by Just Telling:*** This Workshop is designed to give the business manager a streamlined approach to the option disclosure/menu presentation. An approach that delivers a more efficient presentation intended to improve customer adherence thereby increasing customer satisfaction, product sales and profits. Special emphasis is placed on group exercises and interactive role-play.

***Addressing Customers Concerns:*** Addressing Customer Concerns emphasizes the "how" to get customers engaged after the menu/option disclosure presentation. This workshop presents a non-confrontational process that gets more customers saying, "yes I'll take it". Special emphasis is placed on group exercises and interactive role-play.

***A Lesson on Leasing:*** A Lesson on Leasing is designed to expand business managers knowledge of automotive leasing and enlighten them to the profit potential often overlooked on lease transactions.

***Dealership Financing Fundamentals:*** This Workshop is designed to give the Business Manager a better understanding of how credit works and provide them with the skills to improve lender relations that result in better callbacks and approvals.
