Hello ladies:

Wow! We made it through the year! I hope that you all are enjoying the warmer weather, I know I am.

I have been humbled by the amount of support I have received for my projects 1 Is Too Many and Silent Watch this year. Both of these organizations work very hard to bring awareness to and help to prevent veteran suicide and they need our help! Our veterans, our American heroes, put everything on the line to keep us safe and free; we need to do everything we can to help these heroes realize that there is more than one way to deal with their demons.

I have had a great year serving as the Department of Ohio Auxiliary President and I appreciate your confidence in my abilities to hold this office and assist you throughout the year. I was unable to attend as many events as I wanted to or visit as many Auxiliaries as I wanted due to work. However, I did thoroughly enjoy the training sessions that we held at a few local Auxiliaries and would love to see more of the locals take advantage of this opportunity. Please remember that all Department Officers are here to help YOU!

I want to take this opportunity to thank all of the Department Officers and Chairs that have served with me this year, I appreciate all of you and am in awe of your dedication to our organization, our Veterans and the amazing projects that you chose to support. I look forward to continuing to work with you, in whatever capacity that may be, in the future.

All of my contact information is below; feel free to email me if it is easier for you. I look forward to working with each and every one of you.

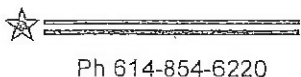

Thank you for all that you do,

AUXILIARY PREAMBLE

We, the mothers, wives, widows, grandmothers, sisters, daughters, stepdaughters and granddaughters of the American Veteran and female veterans, fully realizing our responsibilities to the community, State and nation, associate ourselves for the following purposes: To uphold and defend the Constitution of the United States of America; to safeguard the principles of freedom, liberty and justice for all; to promote the cause of peace and good will among nations; to maintain inviolate the freedom of our country; to preserve the fundamentals of democracy and Americanism; to perpetuate the friendship and associations of the American Veteran and to dedicate ourselves to the cause of mutual assistance...this by the grace of God.

CODE OF ETHICS

Because I am fortunate in being able to qualify for membership in AMVETS Ladies Auxiliary; and because I am proud of our affiliation with the parent organization, AMVETS, I must always remember that it is my duty as a member –

1. To live up to the meaning of "Auxiliary", which is "to act in support of", or "to support."
2. To realize that our organization is a subordinate of AMVETS and for that reason I must be careful not to interfere with AMVETS internal organization and politics; and I must never attempt to dominate that organization.
3. To conduct myself in a manner that shall never cast any unfavorable reflection on AMVETS or AMVETS Ladies Auxiliary.
4. To think and act constructively.
5. To accept my duties as a member, a committee member or chairman, or an officer willingly, and to the best of my ability to do all in my power to promote the Aims and Purposes of our organization.
6. To be courteous at all times; to be considerate of others.
7. To show my interest in our organization by attending all meetings and be on time.
8. To accept the rule of the majority gracefully.
9. To assume leadership in right thinking and action.
10. To respect my officers, my fellow members and the opinions they may have.
11. To be temperate in my speech, habits and opinions.
12. To be extremely careful if I am honored by being elected to any office on any level, that the weight of my office is never used to unduly influence the affairs of our organization or of our parent organization, AMVETS.
13. To endeavor to follow all the purposes of AMVETS Ladies Auxiliary, as set forth in our Constitution, because by doing so, I am serving all mankind, regardless of race, creed or color.
14. Finally, believing that the Golden Rule, "All things whatsoever you would that men should do unto you, do ye even so unto them," applies to all of us, do my part to see that equal opportunity is given to each member to contribute to the good of the AMVETS Ladies Auxiliary.

AIMS AND PURPOSES

THE AIMS AND PURPOSES OF THE AMVETS LADIES AUXILIARY ARE AS FOLLOWS:

1. To serve our country in peace as in war, to build and maintain the welfare of the United States of America toward lasting prosperity and peace for all its inhabitants.
2. To encourage, in keeping with the policies of our Government, the establishment of a concrete peace.
3. To inspire in our membership a sense of responsibility and to develop leadership for the preservation of our American democratic way of life.
4. To help unify divergent groups in the overall interest of American democracy.
5. To train our youth to become purposeful citizens in a republic with full knowledge of the responsibilities as well as the privileges of citizenship.
6. To cooperate with duly recognized existing veteran's organizations in the furtherance of the aims of the American Veteran.
7. To keep the public forever reminded that the American fought, served, and died to preserve peace, liberty and democracy for their nation.
8. To aid in the fulfillment of the Aims and Purposes of AMVETS, our parent organization.
9. To promote the welfare and fellowship of our members and families.
10. To expedite and assist in the rehabilitation of the veteran by sponsoring and giving support to educational opportunities, to recreational advantages, to hospitalization and personal problems, and to support the veterans in all legislation for veteran's benefits.
11. To recognize that the organization known as AMVETS, and chartered by Congressional action on July 23, 1947, is the parent organization, and that all organizational divisions of the Auxiliary exist to promote the interest of the parent body, therefore, they cannot act independently except as it favors the objectives of AMVETS.

DEFINITION OF AMERICANISM

"AMERICANISM" is the unfailing love of country; loyalty to its institutions and ideals; eagerness to defend it against all enemies; undivided allegiance to the Flag; and a desire to secure the blessing of liberty to ourselves and posterity.

Madam President Jenny, Officers, Members and Guest:

Welcome to the 2024 Convention. Hope you have been having a wonderful year so far.

I would like to thank you for your support and allowing me the honor of being your 2nd Vice Child Welfare Department Officer.

We had 59 reports from 35 Auxiliaries, with over \$18,000 donated to various organizations, including my project, Children's Dyslexia Center, John Tracy Clinic, Make a Wish, Shriners, local schools, and County Children's Services. Several parties were held during the year with Santa, Easter Bunny and children parading in their Halloween costumes. Your dedication to helping the children in your communities does not go unnoticed. Thank you for all that you are doing.

We also had 3 Auxiliaries get assistance with projects from 5 youth volunteers. What a fantastic way to introduce our children, grandchildren, nieces, nephews & friends to the Auxiliary.

Reminder to make sure you are using the correct report form. Forms can be found at: [AMVETS National Ladies Auxiliary - Official Website \(amvetsaux.org\)](http://AMVETS National Ladies Auxiliary - Official Website (amvetsaux.org)) under Forms and select Local Service Report. You can complete the form on your computer, save it and email it to the appropriate Department Officer. Printing and mailing is also an option. Reports must be postmarked by November 1st for Mid-Year and May 1st for Annual Report. Reporting service hours, miles and monies helps the AMVETS when lobbying on the Hill for Veterans rights and benefits.

Thank you for helping to support my project, Children's Dyslexia Center, and entrusting me with this office.

Please do not hesitate to contact me if you have any questions or need assistance.

Yours in Service,

Joy Brown

Greetings Madam President Jenny, Officers, Delegates, and Guests:

It is hard to believe our year is at an end. It seems to have gone by so quickly. It has been an honor to serve as your Department 3rd Vice President this past year. I appreciate you supporting my project, the Turban Project. This is such a great organization that brings joy to many cancer patients. I hope you continue to support it even once this year has passed. You can check out ways to continue your support by visiting their website at www.turbanproject.com or checkout their Facebook page at www.facebook.com/turbanproject. Thanks for supporting my theme, "We are not our skin or our hair, but the soul that lives within us." Please carry this thought with you as we go through our daily lives.

Thanks to those Auxiliaries that sent their year-end service reports. I received a total of 34 reports. I enjoyed reading about all the different activities and events that you did for your communities. Your total evaluation of \$194,415 included Fisher House benefits, Red Cross blood drives, community lunches and dinners, food pantry donations, aid to Ohio tornado victims, helping those in need during the holidays, and aid to the homeless both inside and outside of the shelters. You collected canceled stamps, prescription bottles, used eyeglasses, and broken jewelry for the Turban Project. You also generously donated to the Salvation Army, Goodwill, Muscular Dystrophy, various cancer research and detection organizations, and many local charity organizations. You are all amazing and we appreciate everything that you do.

Many of you also had activities and donations for the National AMVETS Auxiliary 3rd Vice President, Laura Bujai's, project, Paws with a Cause. This is another great organization that we want to continue to support so they can continue to provide service dogs to those with disabilities.

Again, thank you for allowing me to be on this journey with all of you. If you have any questions or concerns, please feel free to contact me. I am always here to listen. My contact information is listed below.

Madam President, Delegates, Members and Guests:

Hello and welcome to June Convention, I wish I could be there; however, I am well on my recovery and back to being myself.

I would like to thank everyone who has stepped up to assist with my duties at Mid-Winter Conference and during this Convention.

I had a poor turnout of reports for both Chaplain and Scholarship – if you have nothing to report or if you have no chair the President should just send in the Service Report Form marked “Nothing to Report”.

Remember to give a good description on your Service Reports, we do have one Auxiliary that will report next year on the money they gave away as it happened after May 1st, so it is claimable just next year.

I am sad to report we had no applications for either of the Department Scholarships, but please continue to get the word out on National and Department scholarships.

I know many of you have been working hard. I saw from your service reports the work you have been doing... great job ladies!

Remember to apply for the awards available, you might not think what you did is worthy of winning but you never know APPLY and find out.

Madam President, Officers, Members and Guests:

Welcome to June Convention!

Thank you for allowing me the opportunity to be your Department Americanism Officer for the past year. It has been an honor and an experience.

The ladies of the Ohio AMVETS Auxiliaries have amazed me. So many of you have given your time to Veterans by assisting with cleaning, shopping, yard work and providing transportation and support by taking them to medical appointments. It is awesome to see Auxiliaries adopting the soldiers and providing a taste of home. To those of you that have spent time marching in parades, hand out flags, place flags and wreaths on veteran's graves, I assure you it has not gone unnoticed. The year-end reports have given me many ideas for future projects. I hope you share your ideas with other Auxiliaries so that we can assist more veterans.

We can all participate in one of the most popular projects-Collect and return Crown Royal bags. You can request return labels at www.donateyourbags.com. Instructions are on the main page.

The AMVETS National Americanism essay and poster contest topic for the 2023-2024 year was "Why is it important to vote?" The judging on Post, District and State level has been completed. The participation was not as good as I had hoped. Please start now to plan your execution of the information for next year. The theme for 2024-25 is "What does Flag protection mean to me?"

Thank you for your support for the USO and my theme "Helping our Hero's achieve balance".

Madam President, Officers, Members, and Guests:

It is hard to believe another Auxiliary year is ending. I am proud of the Auxiliaries who spent time and money to help our hospitalized veterans and those who are in nursing homes. I am pleased that I received 32 Hospital Reports this year. The work you are doing for our Veterans is incredible. I know that more Auxiliaries have taken items to VA facilities, hospitals and nursing homes for our Veterans and need to report their activities. I wish I could find a way to help you understand how important it is to report your hours, miles, and monies spent.

I only received one youth report this year. I am sure that some of our Auxiliary members have children or grandchildren who helped with Hospital projects. Do not forget that our Junior AMVETS should also be included and you should prepare a Youth Service Report form.

I am sad to report that Pat Candelaresi, who is our VAVS Representative at the Cincinnati VA Hospital is retiring from this position. Pat has spent many years volunteering and helping our hospitalized Veterans. She has been a true asset to our Hospital Program.

We now need to find an Auxiliary member to be our VAVS Representative at the Cincinnati VA Hospital. If any member from an Auxiliary in the Cincinnati area would be interested in this position, or would like to know what this position entails, please feel free to call me. It is important to have a Representative there so that our Veterans receive the attention they need.

Although several of our VAVS Representatives, Deputies and Volunteers are still unable to have functions at their VA Hospitals, many needed items continue to be donated. Either the Center for Development & Civic Engagement (CDCE) (formerly Voluntary Services) or in some cases nurses on specific units have contacted our Representatives, let them know what is needed, and they have provided those items. Some of the items which have been donated include personal hygiene products, snacks, women and men's underwear, and coupon books so they can do bingo on the different units (this is being done by nursing staff when they have time).

Have you thought about becoming a volunteer in a VA Hospital or nursing home? It appears that the VA Hospitals have lost a substantial number of their volunteers. They have either decided not to volunteer any longer or have found other facilities where they are needed. This makes the need for more volunteers in our facilities greater. There are many other ways to help our hospitalized veterans. Go to the Center for Development & Civic Engagement (CDCE) Office at your local VA and ask what you can do to become a volunteer.

If you want to volunteer at a non-VA hospital or a nursing home, go to the Administrative Office and ask to speak to the person in charge of volunteers. They are always looking for volunteers to help with patients throughout their facilities.

I would like to take a minute to discuss the VA Park Foundation Scholarship. This is a scholarship which is given at the National Advisory Committee Meeting each year. To be eligible, candidates must have completed 100 hours of regularly scheduled VAVS volunteer service during the calendar year prior to September 1; be a student in the 10th grade or above; and have not reached their 19th birthday.

The scholarships may be used for tuition and fees, books and supplies and/or room and board or other educational needs purchased through the school of the student's choice. Scholarship winners must use their awards by their 24th birthday. All winners receive detailed guidance concerning scholarship utilization from the Treasurer of the Fund.

Each medical center may nominate one VA student volunteer for receipt of the award. This recommendation should be discussed with the Chief, Center for Development & Civic Engagement, before submission to the Medical Center Director. The Medical Center Director nominates a candidate for the award by submission of the nomination form to the President of the Fund by December 31.

The nomination form should be completed to reflect the volunteer service and background of the candidate and include age, years of volunteering, number of volunteer hours, areas of service, and affiliated/supporting organizations, if any.

I have enjoyed once again serving as your Hospital Officer. You have allowed me to do what I enjoy most - helping our Veterans. Our Veterans seems to be what keeps me going and motivated. I also love being able to help our VAVS Representatives, Deputies, and volunteers in any way possible to make their jobs easier. They are a group of wonderfully dedicated ladies who give of themselves daily for our Veterans in Ohio.

Madam President Jenny, it has been a pleasure serving with you this year. Have a wonderful Convention.

Madame President, Department Officers, Delegates and Guests,

The Chillicothe VA has held several events in the last couple of months. The Fish Fry that was held on Marh 29, 2024 had a great turn out. The 100th birthday celebration for Sam Wireman was well received. He and his family were very appreciative of the event. On May 04, 2024, a Suicide Prevention Spring Fest was held. There were different activities that included a car show and run, walk and roll race.

The Centennial Celebration occurred the week of May 28, 2024. There were tours of Mace House and a museum display in Building 9. On June 01, 2024, there will be food trucks, tents with various information and giveaways, bouncy houses and carnival games. All of this leading up to a Chillicothe Paints game.

A special Honor Flight event is scheduled for October 10, 2024. There were over 90 applications received so the event is now full.

Warrior's Path is the new unit that will be opening soon. The unit will give a higher level of rehabilitative care including physical, occupational, recreational and speech therapy. It will be led by rehab doctors as well as a medical team including nurses, social workers, pharmacists and dieticians. With all of the members on the same team, it will help Veterans with a smooth transition of care so they can get back to their previous level of care and life.

I am having some difficulty using my debit card. There is a daily limit of \$500.00 which is giving me a little bit of issue. I attempted to break up orders to meet the criteria, but as long as the first transaction was pending the second would not get approved. As a result, two times I used my personal account to pay and paid myself back with a check.

Madam President, Officers, Members and Guests:

I want to thank Richfield Auxiliary #176 for their continued support of the VA Northeast Ohio Healthcare System. They held a Nite at the Races and raised \$1,000.00 for the Cleveland VAMC which they donated to me to help care for Veterans.

My husband Ted and I continue to do Bingo every Friday at 2:00 p.m. on the Live-In Spinal Cord Unit of Cares Tower (Nursing Home section of the VANOHS). We also serve them treats and visit with them before and after bingo.

The second Wednesday of each month at 3:00 p.m. we now do Bingo and serve treats to the patients on the Blind Rehabilitation Unit of Cares Tower.

February 9, we held a Soup Day on the Hospice Unit. The nursing staff and I made several types of soups and we had pop and desserts for the patients.

April 26, we held a Baked Potato Bar. We made 25 baked potatoes and had every topping you can imagine. The nursing staff provided desserts. The patients wanted to know when we were going to do this again.

May 9, we held a Pizza Party on the Spinal Cord Unit serving 5 large pizzas, 75 chicken wings, pop, and desserts for the Veterans. We also did Bingo with the patients after they ate. These parties are held in the evening at dinner time and our son Ted who is a Sons of AMVETS Deputy Representative at VA Northeast Ohio Healthcare System helps Ted and I with these parties.

May 20, we held a Pizza Party on the Hospice Unit. We made individual pizzas for the Veterans. Some of the toppings were sausage, pepperoni, chicken, mushrooms, onions, several types of cheese, green peppers, banana peppers, and jalapenos. We also made extra pizzas so that the patients could have one for an evening snack. We had pop and desserts as well.

I continue volunteering on the Hospice Unit every Monday. I bake cookies for the in-patients and visit with them and their families. I do folders for the nursing and social work staff which are given to the patients and their families.

I continue to purchase hygiene and comfort items for the Veterans. The various Units will contact either me directly or the Center for Development & Civic Engagement (CDCE) Office to let us know what is needed for the Veterans.

My Financial Report is as follows:

It has been a pleasure to again serve as the Department VAVS Representative at the VA Northeast Ohio Healthcare Center. Thank you for allowing me to serve our Veterans.

Madam President Jenny, it has been a pleasure working with you this year. Have a wonderful and productive Convention.

Madam President, Officers, Members, and Guests:

I hope everyone had a great Memorial Day and that we all remembered the men and women who gave their lives for our Country.

For Because We Care Day, I took Pizzas, salad and pies to the VA. I went shopping and bought gym shorts, t-shirts, pots and pans, dishes, towels, wash clothes and silverware for Veterans who were leaving the hospital and the VA helped them to find apartments.

I have not yet been allowed to go into the VA to be with the patients. My next VAVS Meeting will be on June 13, 2024.

A company from Tipp City, Ohio built boxes so that the Veterans could plant flowers and vegetables. They are built up off the ground so that the Veterans do not have to bend over to work in their gardens. I bought garden tools for them to work with. These boxes are at the Nursing Home. I also asked if they needed anything else and they needed coffee and creamer, which I purchased for them.

My finances are as follows:

Madam President, Department Officers, Delegates and Guests:

Welcome to our annual Convention. As strange as it seems, the months seem to go by faster each year.

Our Ambulatory Care Center is in the process of searching the Delaware, OH area for ground for a new CBOC. That will be our sixth. I continue to shop and deliver juice, snacks and sodas for the recovery room and, if I have funds, sometimes for the volunteer office. I was sent several lists of items need by a Veteran who had just gotten his first apartment.

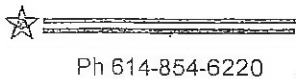

I was out of state for my grandson's wedding on Because We Care Day, so I wrote Larry Badzinski, the AMVETS representative a check for \$300 to assist him with the expenses.

Our National Advisory Committee Meeting May 14-16, 2024 at the Hyatt Regency Hotel in St. Louise, MO. I was surprised to get on the plane and shortly after, Traci Washington, our Chief joined me. I was pleased to hear that she was one of the workshop presenters this year. I have PDF's of the workshops on my phone if anyone is interest in hearing them.

Madam President, Department Officers, PDP's, Local Presidents, Delegates and Guests:

Happy Spring! Greetings from Vermilion and the Ohio Veterans Home in Sandusky, Ohio.

My Deputies and I have been playing bingo monthly at the home and they are truly appreciative. The Ohio Veterans Home has requested certain items to use when the Veterans travel to events or posts. Many of the Veterans have had accidents so they thought having the following items would be helpful:

- 3 back packs that will hold the needed items
- 3 inclusive first aid travel kits
- Disposable Gloves small, medium, large
- Lysol Wipes, hand towels, paper towels, tissues, vomit bags
- Regular wipes to give to Resident if they get sick and need to clean up.

We have purchased all these items so the activity personnel can be prepared should an accident occur.

We have also been asked to purchase books and bean bag chairs to place in several areas of the home for the Veterans to read to children. I was asked to do this project and agreed. We ordered 8 bean bag chairs from Amazon and bought books (from Ollies) along with 2 shelves to put the books on. (purchased from Costco). Thank you Roger for picking them up for me. We also purchased a bunch of snacks for the Veterans so they have them in each of the units.

The Veterans were blessed at Fall Conference with kits made by the Juniors and spring decorations which they loved. Thank you, Juniors, for all your hard work and dedication to the Veterans.

Ohio Veterans Home has been open to visitors. Besides doing our monthly scheduled bingos, on occasion we are asked to help supervise shopping with the Veterans. Josie, one of my Deputies, does this task.

May 18th the VAC for Ohio Veterans Home is having a gun raffle at Erie County Fairgrounds to support our efforts at the Home. The VAC is applying for a bingo license so all the bingos played at Ohio Veterans Home will be covered and legal. Both of my Deputies have been attending the VAC meetings, unfortunately I had work obligations and National Board obligations and could not attend the meetings in March and April.

There are a lot of planned activities for the residents such as steak fries, baseball game tickets (Mud Hens and Guardians), Browns pre-season tickets, craft show, Casino day and comedy shows. They would love more bands to perform as well.

Madame President, Department Officers, Delegates and Guests,

Whew! We did it! We all survived the year with me as Parliamentarian!

I would like to thank everyone who assisted me throughout the year. Your knowledge and assistance have been greatly appreciated.

I hope that I have been able to help each of you with your questions this year. I tried my best to be responsive and provide guidance where requested.

We will be electing new officers. This is a reminder that to be elected you must be in good standing and have served one year as Local President. Your Auxiliary must also be in good standing and have sent in the revalidation form along with your 990. If you did not announce at Mid-Winter Conference, then you must turn in a letter as to what your qualifications are. Please have this to the President and Parliamentarian before elections.

To the newly elected officers, Congratulations. I wish you a most productive and successful year.

Madam President, Jenny, thank you for this appointment.

Madam President Jenny, Department Officers, PDP's, Delegates, and guests:

Welcome to the annual AMVETS Department of Ohio Convention. Make sure to learn new rules pertaining to our Auxiliaries which will be shared with us by our Parliamentarian. Plan to attend the training on Saturday morning. Take what you learn back to your Auxiliary and share.

I am seriously wrapping up the membership for this membership year. I must have all membership that I process and send to National postmarked by June 30th. This allows them to send to the printer to produce the pre-prints. If you don't send the membership so I can process it and get in the mail by that date, they will not be processed until September which will be for 2025. The membership window will open back up September 1st for 2025 membership.

If you have been holding renew to life you can send these September 1-December 31. New life memberships can be sent in all year.

When you address your membership envelopes, please indicate it is for the Auxiliary. If you just put AMVETS, it holds them up until the AMVETS can open and see that it is really for the Auxiliary.

I do have some blank cards with me. I also have blank honorary cards as National no longer sends them to new honorary members. After the first year, they will receive a pre-print. Don't forget that the fee is now \$15.00 annually.

Have a fun time at our Convention. Meet new people, reacquaint with old friends, and learn new tools for the smooth running of your Auxiliary.

Have a great summer and see you in the fall. Pray for our troops and their families.

Respectfully,

Madam President, State Officers & Members:

I can't believe we have completed another year of service. It is truly amazing how many Juniors I have watched grow through the organization in my many years being involved. It is bittersweet, yet fulfilling at the same time.

Our Junior AMVETS are still committed to their purpose which is serving our Veterans and communities. They will be busy working on care packages for the troops and for our veterans in the VA's and Ohio Veteran Homes, which will consume most of their day on Saturday, in addition to their meeting and elections.

The Membership numbers as well as Junior AMVETS Units are currently holding in Ohio, however we will be losing a handful due to aging out. We are still looking for AMVETS posts to add Junior AMVETS units to their family. Without us the Juniors will not exist. Given the opportunity and guidance, Juniors can be a great success. Give the youth at your posts the chance to show you how successful they can be. ***Remember, these children will be the future Veterans, Auxiliary and Sons members that will carry on all the AMVETS organization's goals and purpose in the future.***

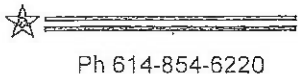

The Junior AMVETS will be selling tickets for their raffle items in the hospitality rooms on Saturday Night and also during the early birds on Sunday morning. Please be sure to grab yours. The Juniors would not be able to perform their projects without our generous support.

Madam President, thank you for allowing me to serve in this position. This concludes my report and I wish you a successful convention

Madam President, Officers, Members and Guests:

Hope this letter finds you all doing well. This year has gone by so quickly and the District has accomplished so much.

I want to thank all the District Officers for their hard work and dedication throughout this year. What a group of amazing ladies.

I have visited all the Auxiliaries in the 1st District this year. There have been a lot of projects/events going on and I was amazed at some of the great ideas and functions the Auxiliaries came up with to make money to support our programs, our Veterans, our communities, and our children. The Auxiliaries in the 1st District ROCK!

Many of the District Officers traveled with me to visit Auxiliaries and I cannot thank them enough. They learned a lot this year about how different Auxiliaries conduct their business.

I have had a lot of phone calls where I assisted in solving problems and finding solutions to different issues. If there was something that needed higher up advice, I made calls and received the help I needed.

We had our 1st District elections and it went very well. We were sworn in by National First Vice President/PDP Cindy Rice on May 19, 2024. Cindy did a wonderful job and everyone appreciated her being there. We like it when Department or National Officers pay us a visit.

Our next 1st District Meeting is July 21, 2024, at AMVETS Post 120, Franklin, Ohio at 1:00 PM. Everyone is invited to attend. Hope you all have a safe trip home from Convention and enjoy your Summer.

GOD BLESS YOU ALL AND GOD BLESS OUR VETERANS.
