

I am honored and blessed to serve as Department of Ohio President for 2025-2026. My late husband Jeff and I joined AMVETS in 2015 encouraged by my Dad. I have served as the local President (7 years) and current Treasurer for AMVETS POST 1994 Ladies Auxiliary and current 2nd Vice President for 9th District Auxiliary.

Jeff was immensely proud to be a Marine Veteran and with his passion to help Veterans and active military we started our journey to serve the AMVETS at our local, 9th District and Department of Ohio. We have been blessed with many new friends and consider the AMVETS family. The love and support I had and continue to have in the loss of Jeff is priceless.

Jeff and I were blessed with twenty-three incredible years of marriage and shared five amazing sons, three of which are Veterans serving 20 years in the Marines, 5 years in the Marines and 4 years in the Navy. They have blessed us with 5 precious grandchildren.

In memory of Jeff my project will be 1 Is Too Many and Silent Watch. My Theme is One is too many – we fight together.
