ALNIBRAS AVIATION SERVICES is an Omani company specializing in aviation supplies, technical procurement, and logistics support. We are committed to delivering reliable products and services to airlines, airports, MRO organizations, government entities, and aviation operators across Oman and the GCC.

Our mission is to build long-term partnerships with leading international manufacturers and suppliers while providing efficient, high-quality solutions that meet the highest aviation standards. Operating from Muscat, we bridge the gap between global aviation manufacturers and regional operators — serving as a critical backbone for commercial, government, and defense aviation ecosystems.

OUR VISION

To become one of the leading aviation support and supply companies in the Sultanate of Oman and a trusted regional partner recognized for quality, reliability, and operational excellence.

OUR MISSION

To deliver professional aviation products and services through strategic partnerships, exceptional customer service, and an uncompromising commitment to safety, quality, and integrity.

INTEGRITY

Transparency, honesty and high ethical standards in every transaction.

QUALITY

Strict adherence to international aviation standards and benchmarks.

RELIABILITY

Consistent performance operators depend on to minimize downtime.

SAFETY

Safety above all else — paramount in the aerospace sector.

CUSTOMER FOCUS

Solutions customized to each client's technical and operational needs.

INNOVATION

Modern supply chain methodologies that optimize efficiency.

PARTNERSHIPS

Enduring relationships built on mutual, long-term value.

GOVERNMENT & DEFENSE

Secure procurement channels meeting stringent defense quality requirements.

OIL & GAS AVIATION

Reliable logistics and components for demanding offshore operations.

HELICOPTER OPERATORS

Tailored support for rotary-wing and specialized aviation divisions.

WHY CHOOSE ALNIBRAS

1

STRATEGIC LOCAL PRESENCE

Based in Oman with firsthand knowledge of the regional regulatory environment — enabling faster on-site support and effective client relationships.

2

GLOBAL PROCUREMENT NETWORK

Strong ties to international manufacturers allow us to bypass supply chain bottlenecks and deliver authentic OEM parts efficiently.

3

OPERATIONAL AGILITY & FAST RESPONSE

A framework built for rapid response — minimizing lead times and providing critical assistance during AOG emergencies.

4

TECHNICAL EXPERTISE

Deep technical understanding of aviation standards, ensuring part numbers, certifications and compatibility match exact engineering specifications.

5

COMPETITIVE PRICING & RELIABLE DELIVERY

Strategic purchasing and supplier management that control costs while safeguarding delivery commitments.

6

UNCOMPROMISING QUALITY

Sourcing strictly from trusted manufacturers and authorized channels — guaranteeing full compliance and traceability.

QUALITY COMMITMENT

We are committed to supplying products from trusted manufacturers and authorized sources while maintaining the highest standards of quality, compliance, and customer satisfaction. Every component we deliver carries full traceability — giving operators absolute peace of mind.

- ◆ **QUALITY ASSURED**
- ◆ **SAFETY FOCUSED**
- ◆ **GLOBAL STANDARDS**
- ◆ **CONTINUOUS IMPROVEMENT**

Our objective is to establish strategic partnerships with international aviation manufacturers and become a preferred supplier across Oman and the GCC. As the region's aviation landscape expands, Alnibras is positioning itself for scalable growth — continuously widening its network of OEM partnerships and investing in advanced supply chain technologies.

We aim to expand our capabilities, enhance our services, and create sustainable value for our partners and customers — supporting the next generation of aerospace infrastructure, defense operations, and commercial fleets in Oman and beyond.
