

GROOM PRICES & CONDITIONS FOR 2024

HOW TO ESTIMATE THE GROOM PRICE

All prices are ESTIMATES until a dog's groom is completed and the groomer can confirm the cost.

GROOM COST = BASE RATE + EXTRA (e.g. Long coat, spa treatment, etc) **Please note all grooms include a nail clip.**

A dog's BASE RATE is worked out at the counter from their WEIGHT & FUR LENGTH.

The groomer will weigh the dog again and then time the groom and use the chart below to arrive at a FINAL PRICE. This will be recorded on your dog's file along with other treatments, behaviour and health alerts. *(Puppies gain weight over a year and will be estimated and weighed until they mature)*
