

# Nanny McGhee's I Draw A Heart Night Night Song

I draw a heart just like this and fill it with a kiss.  
Close your hand, squeeze it tight, and it will stay  
with you all, night.

I draw a heart just like this and fill it with a kiss.  
Close your hand, squeeze it tight, and it will stay  
with you all, night.

Night Night Sweet Darl'n  
Night Night Sweet Darl'n

Close your hand, squeeze it tight, and it will stay  
with you all, night.

Close your hand, squeeze it tight, and it will stay  
with you all, night.
